N.D.P. candidate Ted MacDonald speaks on tax help in Acton

Ted MacDonald, N.D.P. candidate in Halton West addressed a social gathering at the home of Bob Drinkwater, 610 Churchill Rd., Acton, on Sunday dealing with rising taxes and his party's answers to today's pressing problems. "Recent reports of struggles to keep the mill rate down are symptoms of the most critical time since bankruptcy threatened many of them in depression," Mr. MacDonald said. "The crisis has been with us so long, and the consequence of crippling property taxes are so serious, that an interim solution can, and should be made for this coming fiscal year." "The overall problem is that our municipalities have too many services to meet on the limited resources at their command," he stated. "Residents of Acton, Milton and Georgetown can vouch for the truth of this statement as recent press reports will confirm." "It is significant to note that this year the province is providing a smaller percentage of its revenues in grants to the municipalities than it did last year, making sharp municipal tax increases inevitable," continued the candidate. The solution, as proposed by Mr. MacDonald: "First, municipalities should be relieved of certain services. The province

SILVERWOOD

New slate of officers named Mrs. Henderson heads Institute

Silverwood W.I. held their annual meeting at the home of Mrs. G. Henderson and fifteen members answered the roll call by payment of dues and suggestions for improved programs for centennial year. LIMEHOUSE

52 years active in W.M.S. Mrs. Mitchell life member

Over 40 attended the spring thank-offering meeting of Limehouse Presbyterian Church W.M.S. on Sunday evening. Mrs. Roughley, vice-president presided and Mrs. Bert Benton was at the organ. Mrs. Roughley read scripture and Mrs. Sanford led in prayer. Two lovely solos, "Open the Gates of the Temple" and "In My Father's House are many Mansions" were sung by Mrs. Harold Michie and the choir had a well rendered Anthem "Waiting on Jesus". Miss Helen Coggan, deaconess in charge of Christian education at Knox Church, Oakville was guest speaker. Her topic was Easter and the Resurrection, told in her very pleasant manner and enjoyed by all. Highlight of the evening was the presentation of a life membership certificate and pin to Mrs. Mitchell, who has been a member of our society since 1918 and has served a total of 52 years in various offices, having been president since 1954. Mrs. Roughley and Mrs. A. W. Benton made the presentation. Taken by surprise and moved to tears of joy Mrs. Mitchell graciously accepted the gifts. Mrs. Jas. Noble extended thanks to all who contributed to the success of the evening and invited all to a social hour downstairs. Rev. F. N. Young pronounced the benediction at the close.

Visitors: Mrs. Aurel Browne of Val D'Amour, N.B., and Mr. Andre Gallant of Atholville, N.B., with Mr. and Mrs. Hackey and family recently. They are father and sister of Mrs. Hackey. Mr. and Mrs. Wilfrid Greenlees of Campbellville with the Bentons on Sunday. Congratulations to the mothers, teaching staff and pupils on the success of their fun fair and sale at the school a week ago when over \$460 was raised. We are pleased to see Mrs. Mills home again, and looking well after a winter in Toronto. We regret Mr. Regent's accident some two weeks ago. He had a very badly cut hand when the glass in an entrance in Kitchener shattered. Little Teresa Homan is in hospital in Guelph for observation. We hope that Mrs. F. J. Shortill continues to progress well following an operation in St. Joseph's Hospital, Guelph. Birthday greetings to Mrs. Angus Lawson on April 16 at 87 years.

WARNING Persons who are highly allergic to insect stings and liable to get violent reactions to them, should avoid wearing bright jewellery and leather which, along with certain odors, attract stinging insects, warns the Department of Agriculture.

THE RATEPAYERS OF THE TOWNSHIP OF ESQUESING The season of grass fires is again approaching and the fire chiefs of the 3 fire areas join with your council in requesting every citizen to use extreme caution in setting fires in either grass or rubbish in order that the number of fire calls may be kept to a minimum. Every fire call costs money and it is your money that pays for the fires. Please use every precaution and help us to save your money.
