Halton Fire Prevention Bureau receives contest recognition

Halton's prize winning Fire Prevention Bureau and the Oakville and Milton Fire Departments were praised for their continuing work in the interests of fire safety, at the Halton Mutual Aid's annual dinner and dance in Milton.

John Turnbull, Deputy Fire Marshal of Ontario, attended the dinner and presented three certificates to the groups which won recognition in the 1966 fire prevention competition sponsored by the National Fire Prevention Association. He told the audience of 80 that Halton county was winning international recognition with its effective Mutual Aid service, and its Fire Prevention Bureau's ideas were being copied across the nation.

Halton Fire Prevention Bureau was awarded a "special recognition for an outstanding county - sponsored fire prevention campaign" in 1966. Mr. Turnbull presented the certificate to Halton County Warden William Coulter, who presented it to Mutual Aid Co-ordinator Chief Douglas Wilson of Oakville.

Milton Fire Department, entered in the class for municipalities of 5,000 to 10,000 population, won third prize for all of Ontario, honorable mention for all of Canada, and stood 25th of 258 Canadian communities which submitted scrapbook entries. The Deputy Fire Marshal presented the certificate to Milton Mayor S. G. Childs, who presented it to Milton Fire Chief A. E. Clement.

Also honored was the Oakville Fire Department. Its scrapbook, entered in competition with municipalities of 25,000 to 100,000 population, received an honorable mention for both Ontario and Canadian contests and stood 28th in

all of Canada. Oakville Councillor Donald Gordon accepted the certificate from Mr. Turnbull and passed it on to Fire Chief Wilson.

"We have a challenge at all times to stop fires before they start," Mr. Turnbull said in a brief, informal speech. He suggested the awards received by Halton county in recent

Several accidents, illness share news items with visits

While supervising the noon recess at the school, Mrs. C. Denny met with an unfortunate accident; her nose was fractured when hit by a ball. An X-ray revealed a clean break and the bone in place, so did not require the setting of the bone.

Mrs. M. Jackson suffered a bad fall recently, resulting in two black eyes and a sore knee. She was going in her driveway and in stepping up on the sidewalk, she tripped and fell forward. Luckily no bones were broken but she has been quite stiff and sore.

Sympathy is extended to Mr. and Mrs. Robert Strandholt in the passing of the former's father, C. Strandholt of Streetsville.

Mr. Stewart McDonald and daughter, Mrs. Robert Tripp and two daughters from Rochester N.Y., visited with the former's uncle and aunt, Mr. and Mrs. David Stewart and members of the family.

Mr. and Mrs. Murray McKittrick were in Toronto on Friday to bring their son Kenny home from Crippled Children's Hospital where he has been receiving treatment. Mr. and Mrs. Bruce Moulton

years prove the firefighters really care about fire prevention, but he warned them their efforts must continue.

"Do this and we will cut down on the fire loss and stop burning up people," he said. While Ontario's reported fires totalled 23,199 last year—a drop of 913 from the previous year—there were 229 people

Other speakers included George Alexander and William O'Sullivan of the Fire Marshal's office. Warden Coulter spoke briefly, praising the county's fire services for their co-operation and their continuing dedication to their duties. Municipal officials introduced included Mayor Joseph Gibbons of Georgetown, Mayor Les Duby of Acton and Councillor George Harrington of Burlington.

Ralph Elderfield of Burlington, 1967 chairman of the Mutual Aid, chaired the dinner. The banquet was arranged by a committee of Milton firefighters headed by Glenn Stringer, and the dinner was provided by the Milton Fire Department Ladies' Auxiliary. Dancing followed with music supplied by firefighters from the Georgetown and Milton brigades.

HOME IS SHIP-SHAPE A former ocean going vessel, now permanently "docked" near the St. Croix river, is home for Mr. and Mrs. Chuck Ruhr. The couple spotted the ship, which was drafted by the United States Coast Guard during World War II, on a Sunday drive and bought her. It is now anchored to a cement foundation on seven wooded acres.

Sunday visitors with D. G. and Mrs. Robertson included Mr. and Mrs. Lloyd Robertson, Mrs. C. Heimler of Guelph, and Mr. and Mrs. Norman Robertson, Acton.

Events at Mohawk Raceway

Parades, shows, hootenany, giant cake included in Nassagaweya celebrations

Parades, variety shows, a hootenany and a giant birthday cake all figure in the plans of the Nassagaweya Township Centennial Celebrations committee.

A program designed to please almost everyone is being formulated for the weekend of June 23, 24 and 25. Many of the activities will take place in Mohawk Raceway.

The committee, headed by chairman Maurice Newton and

secretary-treasurer Mrs. Vera Cochran, consists of representatives of all organizations in the Township.

The festivities begin on Friday, June 23 with a hootenany and dance at Mohawk Raceway. Two orchestras will perform and the committee hopes to have a disc jockey from radio station CHUM in Toronto as master of ceremonies.

A Centennial Queen contest, open to girls from the Township will also be a highlight of the Friday night program. A giant birthday cake—about eight feet tall will be another feature.

On the Saturday, a parade along the Guelph Line is being planned. Clowns, floats and possibly a bus load of the Township's elder citizens will be featured in the parade, which will end up at Mohawk. There will be a display of ethnic folk dancing by students of the Joan Waters school of dancing and at the same time in the Old Township Hall in Brookville there will be displays of antiques.

A variety show in Mohawk Raceway in the evening will feature township and area talent, and it is expected there will be a mass school choir in attendance. The variety show will be followed by a fireworks display.

On Sunday, the Township's Centennial project—improvements to community parks at

Eden Mills, Brookville and Campbellville—will be dedicated and a special Centennial service will be held at Brookville.

The service will be followed by a picnic and probably games.

Representatives of all the

municipalities in the county as well as Halton M.P. Dr. Harry Harley, Halton M.P.P. George Kerr, Halton County Judge Allan Sprague, Magistrates Kenneth Langdon and James Black and the wardens from neighboring counties will be invited to attend the celebrations.

OBITUARY

John H. Leslie Orton burial

The late John Harvey Leslie passed away in the Elgin district General Hospital on April 6. He was the son of the late George Leslie and was born on the First Line of Erin, R.R. 2 Acton.

After his marriage to the late Esther Stauffer, he farmed for a short time at Berkeley, Ontario, then moved to Orton, Ontario, where he farmed about 15 years.

He is survived by his wife, the former Greta Hardwick, of Aylmer; a son, George S. and a daughter, Mrs. James Adam (Margaret), both of Guelph.

Funeral services were held Saturday, April 8th, at the Hughson Funeral Home, Aylmer. Rev. Allan Logan of St. Paul's United Church conducted the service during which Mrs. James Wright presided at the organ.

Interment was made in the family plot at Grove Cemetery in Orton.

Friends and relatives attended from Guelph, Kitchener, Acton, Rockwood, Niagara Falls, N.Y., Port Stanley, Hamilton, St. Thomas, Aylmer and district.

38 occurrences reported by O.P.P.

In their report of a week ago, North Halton O.P.P. reported several accidents, approximately \$4,200 in property damage and various occurrences.

There were 38 occurrences reported, including break, enter and theft at Hornby Garage Hornby, in which one Wright Power Blade saw was stolen; at the cottage residence of Dr. S. G. Coleman, Con. 5, Nassagaweya Twp., where a lamp, light bulbs and a vintage dollar bill were stolen; theft of a boat, property of F. Bard, Con. 2, Nassagaweya Twp., and same recovered; theft of pay telephone at Durante's Service Station on 25 Highway; theft of net and fish from Ray Olan Fish Hatchery at Campbellville; one assault; four premises found insecure at night; and one person charged with "Impaired driving as a result of an accident. The remaining occurrences were of a minor nature.

First Ontario jamboree for 3,000 scouts at Kelso

A year and a half of planning will climax in August 1968 when a whole new "community" of over 3,000 Boy Scouts and their leaders is set up at the Kelso Conservation Area.

The week-long event will be the first Ontario Boy Scout Jamboree and the "Community" will be complete with hospital, transportation, food, fire, police and water services.

Ontario has been the scene of Canadian and World Jamborees before, but officials are billing this event as the first Ontario Jamboree. A planning committee headed by D. Deacon chose the Kelso site, after visiting a number of alternative locations.

The Jamboree is scheduled for August 17 to 24, 1968 and among the 3,000 boys who will attend, 80 per cent will be from Ontario, 10 per cent from other countries and 10 per cent from other parts of Canada.

Special days and events at the "tented community" will be open to the visitors who will flock to the site from various parts of the province.

Milton Scout Troop will be asked to assist in selecting the theme for the Jamboree; the planning committee has agreed during their monthly meetings in Milton. A group of possible themes will be prepared and submitted to the local boys to determine which theme will provide the best foundation for the Ontario Jamboree.

A detailed organization has been developed and from the major steering committee, groups are being formed to handle the necessary services from the provisioning of water and fire service necessary for the population of 3,000.

Site at Kelso for the Jamboree will be on the eastern section of the Authority's land north of Milton Heights. The Halton Region Conservation Authority has approved the area for the Jamboree which will not interfere with the public's access to the Kelso area.

Within a 30 day period the camp will be set up, operated and struck and the grounds restored to their former condition.
