Adoption of symbol traffic signs by Ontario has been announced by the Hon. Irwin Haskett, Ontario Minister of Transport. The new signs will be introduced as old signs need replacing, with the job expected to take five to 10 years. Some examples are shown above (top) in contrast with existing road signs (bottom).

## New way to serve chicken using soup in packages

"Chicken every Sunday" used to be considered a luxury, but with the price of poultry these days, it's an economy to serve it often.

A new and different way of preparing our excellent Canadian birds is always welcome, and packaged soups can provide a tasty and efficient shortcut for busy homemakers during these crowded spring days. Here's a recipe for "Saucy Chicken with Onion" that combines the flavor and convenience of packaged onion soup and a creamy sauce made with cream of chicken soup mix. The sauce can be served over the chicken, or in its separate sauce boat to individual taste.

**SAUCY CHICKEN WITH ONION**

5-8 cut up broiler-fryer chicken pieces

1 envelope Onion Soup Mix  
1/4 cup water

**SAUCE**  
1 envelope Cream of Chicken Soup Mix  
1 cup cold water  
1 cup light cream or milk

Place cut up broiler-fryer chicken pieces in single layer in shallow pan. Sprinkle evenly with one envelope Onion Soup Mix. Add 1/4 cup water. Cover and bake in 375 deg. F. oven for approximately 50 mins. or until done. Remove chicken to serving platter and keep warm.

Place roasting pan on even heat, stir in one envelope Cream of Chicken Soup Mix and 1 cup cold water. Stir until sauce thickens. Add 1 cup light cream or milk and continue stirring until smooth.

**DEDICATED WORKER**

A diminutive native of Ireland applied at the dock for work as a stevedore. He was only about five feet in height and the foreman was dubious. "We're loading 300 pound anvils into that boat and a little guy like you couldn't handle them," he said. He hustled the anvils aboard all right and the cargo was neatly all stowed when the foreman heard a splash. He ran to the rail and saw Pat struggling in the water. "Throw me a rope," Pat yelled as he went under. He reappeared soon and again called loudly for a rope, then disappeared. Once more he rose to the surface. "If you don't throw me a rope," he cried, "I'm going to drop this anvil."

New 5c stamp

The 50th anniversary of the year in which Canada's women were first allowed to vote in Federal Elections will be commemorated by a Canada Post Office five-cent stamp to be released on May 24, 1967. Although complete enfranchisement for Canadian women in national elections was not granted until 1918, the Wartime Election Act of 1917 permitted votes to those who had relatives in the country's armed services. Appropriately, the new stamp is based on a design conceived by Helen Fitzgerald of Toronto.
