### Two locations for playground

Playground began with a summertime "bang" on Tuesday morning, with 40 youngsters registered at the M. Z. Bennett school grounds, and Landsborough is playground superintendent, and set up the system the first day without the assistance of supervisor Miss Elizabeth Atkey who was in hospital for tests.

The wading pool is not open yet; the motor on the filter was giving trouble, but will likely be repaired later this week.

For the first day's program there was baseball, soccer, and simpler games for the youngsters. All the staff was on hand with the exception of Miss Atkey, who'll be back as soon as she can.
