

THE QUEEN AND HER MAIDS pay their second visit to Acton on August 3 in aid of girls' softball here. The largest crowd ever to watch a softball game here crowded into the park for last year's exhibition. Left to right are pitcher Rosie Beard, catcher Eileen Beard and Royce Dupee at bat.

Centennials clinched top spot on the novice scoring pole, in a decisive 144 defeat over the Devil's Angels last Tuesday night.

Centennials drew a total of nine runs in the second inning including home runs from Pete Pavli and Bob Viniski.

John McCutcheon, Terry Holmes, Pete Pavli, Bob Viniski and Jim Gentile equally shared in ten Centennial runs. Ensing, Oakley, Coles and Pawh each collected single runs to count.

Saints came back strong in the second inning with seven runs to pull one ahead of the Angels and match their two runs in the third for the final victory.

129 YOUNGSTERS from the summer playground took part in a bus trip to Toronto on Monday visiting Fort York and the Riverdale Zoo before returning home. Travelling in two of Tyler's buses they were divided into groups for the trip with leaders taking 12 apiece on tours. The children enjoyed looking at the fort cannon and found the 300 animals a real attraction. (Photos by Marianne Coles)

with ART HAWES

In the singles action on the trap range this week at Maple Rock Shooting Range John Shadbolt again led the pack with 25. Other good scores were recorded by Gord Clow with 24, John Cordes 23, Dave Johnson 22 and 17, Ed Hawes 22, Keith Mainprize 20 and Len Jones 19.

In the doubles shoot there was a two-way tie for top spot with John Shadbolt and John Cordes both getting 17. In other doubles action Gord Clow got 16, Art Hawes 15 and Brian Hammond 11.

Correction — The figures on moose hunting published last week were quoted as those for 1966. An alert reader noted figures were included for the Parry Sound district which holds a season every two years but did not have one last year. Investigation revealed the figures were for the 1965 hunting season as are those listed below on deer hunting.

The deer hunting figures indicate the areas in which hunters enjoyed the most success as follows — Fort Francis 49.2 per cent, Kenora 48.1, Port Arthur 32.5, Tweed 29.0, Manitoulin 28.9 and Sioux Lookout 28.2.

The areas which had the poorest success were Bruce Peninsula 10.7, Sudbury 13.9, Lake Erie 15.2 and Pembroke 16.9.

The Department of Lands and Forests is conducting deer habitat improvement projects in many areas of the province where the deer herds have been declining due to the loss of natural food as a result of logging operations, forest fires or other activities of man.

In addition they are also step-

indicating if Wentworth will go along with the hunt.

County council also suggested a bow and arrow hunt in the area of Halton south of No. 5 Highway where the use of firearms has been prohibited.

The doubles shoot that was announced in last week's column has been changed to a 50 bird event instead of the 100 bird event originally announced. It is open to anyone who wants to try their hand at doubles.
