She was given in marriage by ber father.

Judy Wong, sister of the groom and Fung Gee Wong, sister of the bride, were the two attendants, wearing floor-length pale pink gowns of shantung with high wedding ring collar, princess lines and a loose sling-belt at the back. Cash prizes for families at fall fair

For centennial year, the Free Press fall fair "special" has been completely changed. To add to the enjoyment of the centennial theme, the cash prises will be for the best costumed family groups on the grounds on the Saturday of the big fair.

The "family" will consist of four persons - a man, woman and at least two children, dressed in pioneer or old-fashioned clothing.

There are no hard-and-fast rules, as the object is to have more people in costume, not restrict their ideas.

The people need not actually be related; the man could be woman dressed as a man; or the whole family group could actually be children. The costumes are

the main object. First prize is \$10 cash, second \$5, third \$4, fourth \$3, fifth 32, and sixth \$1. Registration will be on the grounds that day, and will be announced. Out-oftown judges, back to town for the

big fair, will name the winners. The fair board has also arranged for costume judging during the Friday evening program, but this is only for women in authentic or replica clothing.

Her shoulder length veil was fashioned of three tiers of illusion and she carried a prayerbook covered with white roses and stephanotis.

The maid of honour was Miss Jean Bayne, Rockwood, while the bridesmaid was Miss Joan Ramsden, Acton, both friends of the bride. They wore floor-length gowns of apricot taffets, with an overdress of chiffon flowing from a voke of matching lace. They carried cascades of white and tangerine carnations and wore bands of the same flowers in

their hair. Groomsman was Richard Lewis. Rockwood, a friend, and the usher was the brother of the
