

# Bride carries heather from Scotland at Leatherland-Wilson nuptials

The Church of St. Alban the Martyr was decorated with yellow gladioli and white chasta daisies on August 19 for the wedding of Sally Marrie Wilson, daughter of Mr. and Mrs. William S.P. Wilson of Acton, to Robert Edgar Leatherland, son of Mrs. Lillian Leatherland of Auburn and the late Mr. Alvin Leatherland.

The double ring ceremony was performed by the Rev. Ritchie MacMurray.

Mrs. Frank Oakes played the organ and the children's choir sang "O Perfect Love". All the guests joined in the singing of "The Lord is my Shepherd".

The bride, given in marriage by her father, wore a full length gown of white Chinese silk with a floor length train falling from the back of the empire waist. The elbow length sleeves and empire waist were trimmed with white daisies centered with pearls. Her elbow length veil was held by a ring of daisies also centered with pearls. She carried a colonial bouquet of yellow roses and white heather surrounded by white mums. The heather was sent by the bride's aunt from Scotland especially for the occasion.

The bride was attended by her sister, Mrs. Susan Dupont, of Los Angeles, California, as matron of honour. Bridesmaids were Miss Joyce Leatherland of Auburn, sister of the groom, and John Brown of Guelph, a life-long friend of the bride. The girls chose floor length gowns of yellow crystal charm material with an empire bodice, A-line skirt and bell sleeves. The

Mr. and Mrs. Ed Leatherland

bottom of the skirt and sleeves were trimmed with wide white lace. Their headpieces were two-tiered bows. Their gowns were styled and made by the bride and bridal party themselves. They carried trailing cascades of white chastadaisies.

Groomsman was Lucien Dupont, brother-in-law of the bride, and the ushers were David Lidka of Acton, a friend of the groom, and Larry Chamney of Auburn, a nephew of the groom.

The groom and his attendants wore boutonnieres of white roses with sprigs of white heather.

A dinner reception was held after the service at the Hilltop Lodge Golf and Country Club in Erin.

The bride's mother received her guests wearing a dress of turquoise crepe with over jacket accented by heavy turquoise lace. She wore tan shoes and bag with beige hat and gloves and a corsage of yellow roses and white heather. As the bride and her

family were born in Scotland, the bride's father wore his kilt for the occasion.

The groom's mother wore a petal pink crepe dress with lace bodice, a multi-colored flowered hat and a corsage of deep pink roses with white heather.

Following the dinner and reading of several telegrams from Canada, United States and Great Britain, Johan Brown delighted the guests with several folk songs.

The bride and groom served wedding cake to their guests from a silver cake basket which was a wedding gift to the bride's grandmother.

Guests were present from the Acton and Auburn vicinities and also from Windsor, Princeton, New Jersey; and London, England.

The couple left for a motoring trip to Lake Placid, New York, the bride wearing an A-line dress and coat in deep yellow with black patent shoes and bag and a corsage of white roses and white heather.

Prior to the wedding the bride was guest of honour at three miscellaneous showers given by Mrs. Rog Schultz of Blyth, an aunt of the groom; Mrs. Glen Stone of Acton, a friend of the bride; and Mrs. Edgar Lidka of Acton, a friend and neighbour of the bride.

The bride's mother entertained at a trousseau tea on August 13. The bride, who is a stenographer with C.F. Leatherland, Q.C., and the groom, who is a teacher at the M.Z. Bennett Public School, are making their home at 25 Main Street North in Acton.

## County-nurse dispute heads for solution

The dispute between Halton's health nurses and the county council appears headed for a solution.

The conciliation board headed by Judge Colin Bennett of Grey County met Friday and worked out the salaries and working conditions that appeared to be satisfactory to both sides. Both the nurses and county council will be asked to ratify the agreement this month.

No details of the agreement were released. The dispute has been going on for over a year and at one point the nurses resigned in protest and placed a "grey-listing" on the Halton County Health Unit.

A RECORD NUMBER of more than 350,000 Ontario children will be using 7,000 buses to get to and from school this year. For their safety, here is a reminder for motorists. When a school bus is stopped with red signal lights flashing, the law requires all traffic approaching the bus from the front and from the rear to stop and remain stopped as long as the red

lights on the bus continue to flash. This law applies wherever the maximum speed limit is more than 35 miles per hour. There is one exception to this rule. Traffic approaching the bus from the front on a highway which is divided into separate roadways by a physical barrier is not required to stop. (Ontario Department of Transport Photo)

### IF MAN SHOULD REACH THE MOON

I'm sure you've heard or read about

The satellites in space, How Russia and United States are on a rocket race, To hear them talk, it won't be long

Till space they conquer soon, And then what next will man attempt

If man should ever reach the moon,

There's one thing that is clear, He'll ruin every thing up there, Just as he has done here, With sin and crime, with lust and greed, He's got enough to do, To clean the mess he's made on earth, We all know that is true.

The sickness and the want, the fear, The broken hearts and shame, The cry of hungry millions... And man is all to blame, I think we'd better set our sights Above the moon and space, So let's explore eternity

Plant manager of Polypenco company, W. J. Focht and Mrs. Focht have come from Reading, Pennsylvania, to live at 138 Elizabeth Dr. Mrs. Focht is a teacher.

While there is time and grace. For sins of men with wicked hearts, He died one day at noon, With faith in Him, you'll have no fear, If man should reach the moon. — Contributed.

### LETTERS TO THE EDITOR

THANK YOU

I wish once again to thank the people of Acton for their kindness and generosity during my nine weeks' stay. Especially Mrs. D. Stapleton for inviting me into her home as a guest, and Mr. and Mrs. George Fryer for their kindness, and the welcome I received in the Golden Age Club. And all who made my holiday one I shall always remember and I hope to visit Acton again.

Mrs. Margaret Irvine, 272 Donegall Ave., Belfast 12, N. Ireland.

# Insure your winter wheat now!

If you are seeding winter wheat, you cannot afford to be without the low-cost, comprehensive protection offered by The Crop Insurance Commission of Ontario. Apply for coverage by September 15th.

**Guarantee 60, 70 or 80% of your normal yields**  
The insurance coverage is a guarantee of production. You decide the amount of coverage you want—60, 70 or 80% of your normal yield—and if your yield is below the guaranteed level—the insurance makes up the difference.

**Comprehensive coverage at less than cost**  
Administration costs for this program are shared by the Federal and Ontario Governments, and subsidies cover 30% of the premium, so you can purchase this valuable protection at considerably less than cost. Coverage includes hazards of Hail, Wind, Flood, Frost, Winter Kill, Drought, Excessive Moisture, Excessive Rainfall, Insect Infestation, and Plant Disease.

**\$15 deposit secures contract—now**  
If you are sowing, or plan to sow winter wheat, act now to get protection—time is limited. Secure a contract immediately by making application with a \$15 deposit—the balance of your premium will not be due until you have completed seeding.

**September 15th deadline**  
Applications for insurance on winter wheat must be made by September 15th. Contact your nearest Agent for complete details and application forms—or write direct to:
