

### Capital grants aid farm improvements

By Henry J. Stanley

During the past year, increased capital grants have been made available to Ontario Farmers. Recently a few changes have been made in these, resulting in the following: for wells, ponds, and special cases of water supply, a farmer is eligible for a grant of 50 per cent of the approved cost, and for fence, tree, or stone removal for field enlargement, 40 per cent of the cost.

The farmer may receive grants not exceeding \$1,500 in total for any one, or a combination of these expenditures. He also can receive one-third of the costs of farm drainage, or the erection or renovation of permanent farm structures, grain, fruit or vegetable storages, paving of barn-

yards, etc., up to a maximum grant of \$1,000.

All farmers must own the farm and have a minimum gross income of \$3,000 during the previous year from the farm. However, the owner who rents his land to a tenant may now apply for a Capital Grant, provided the tenant has a gross of \$3,000 off the leased land.

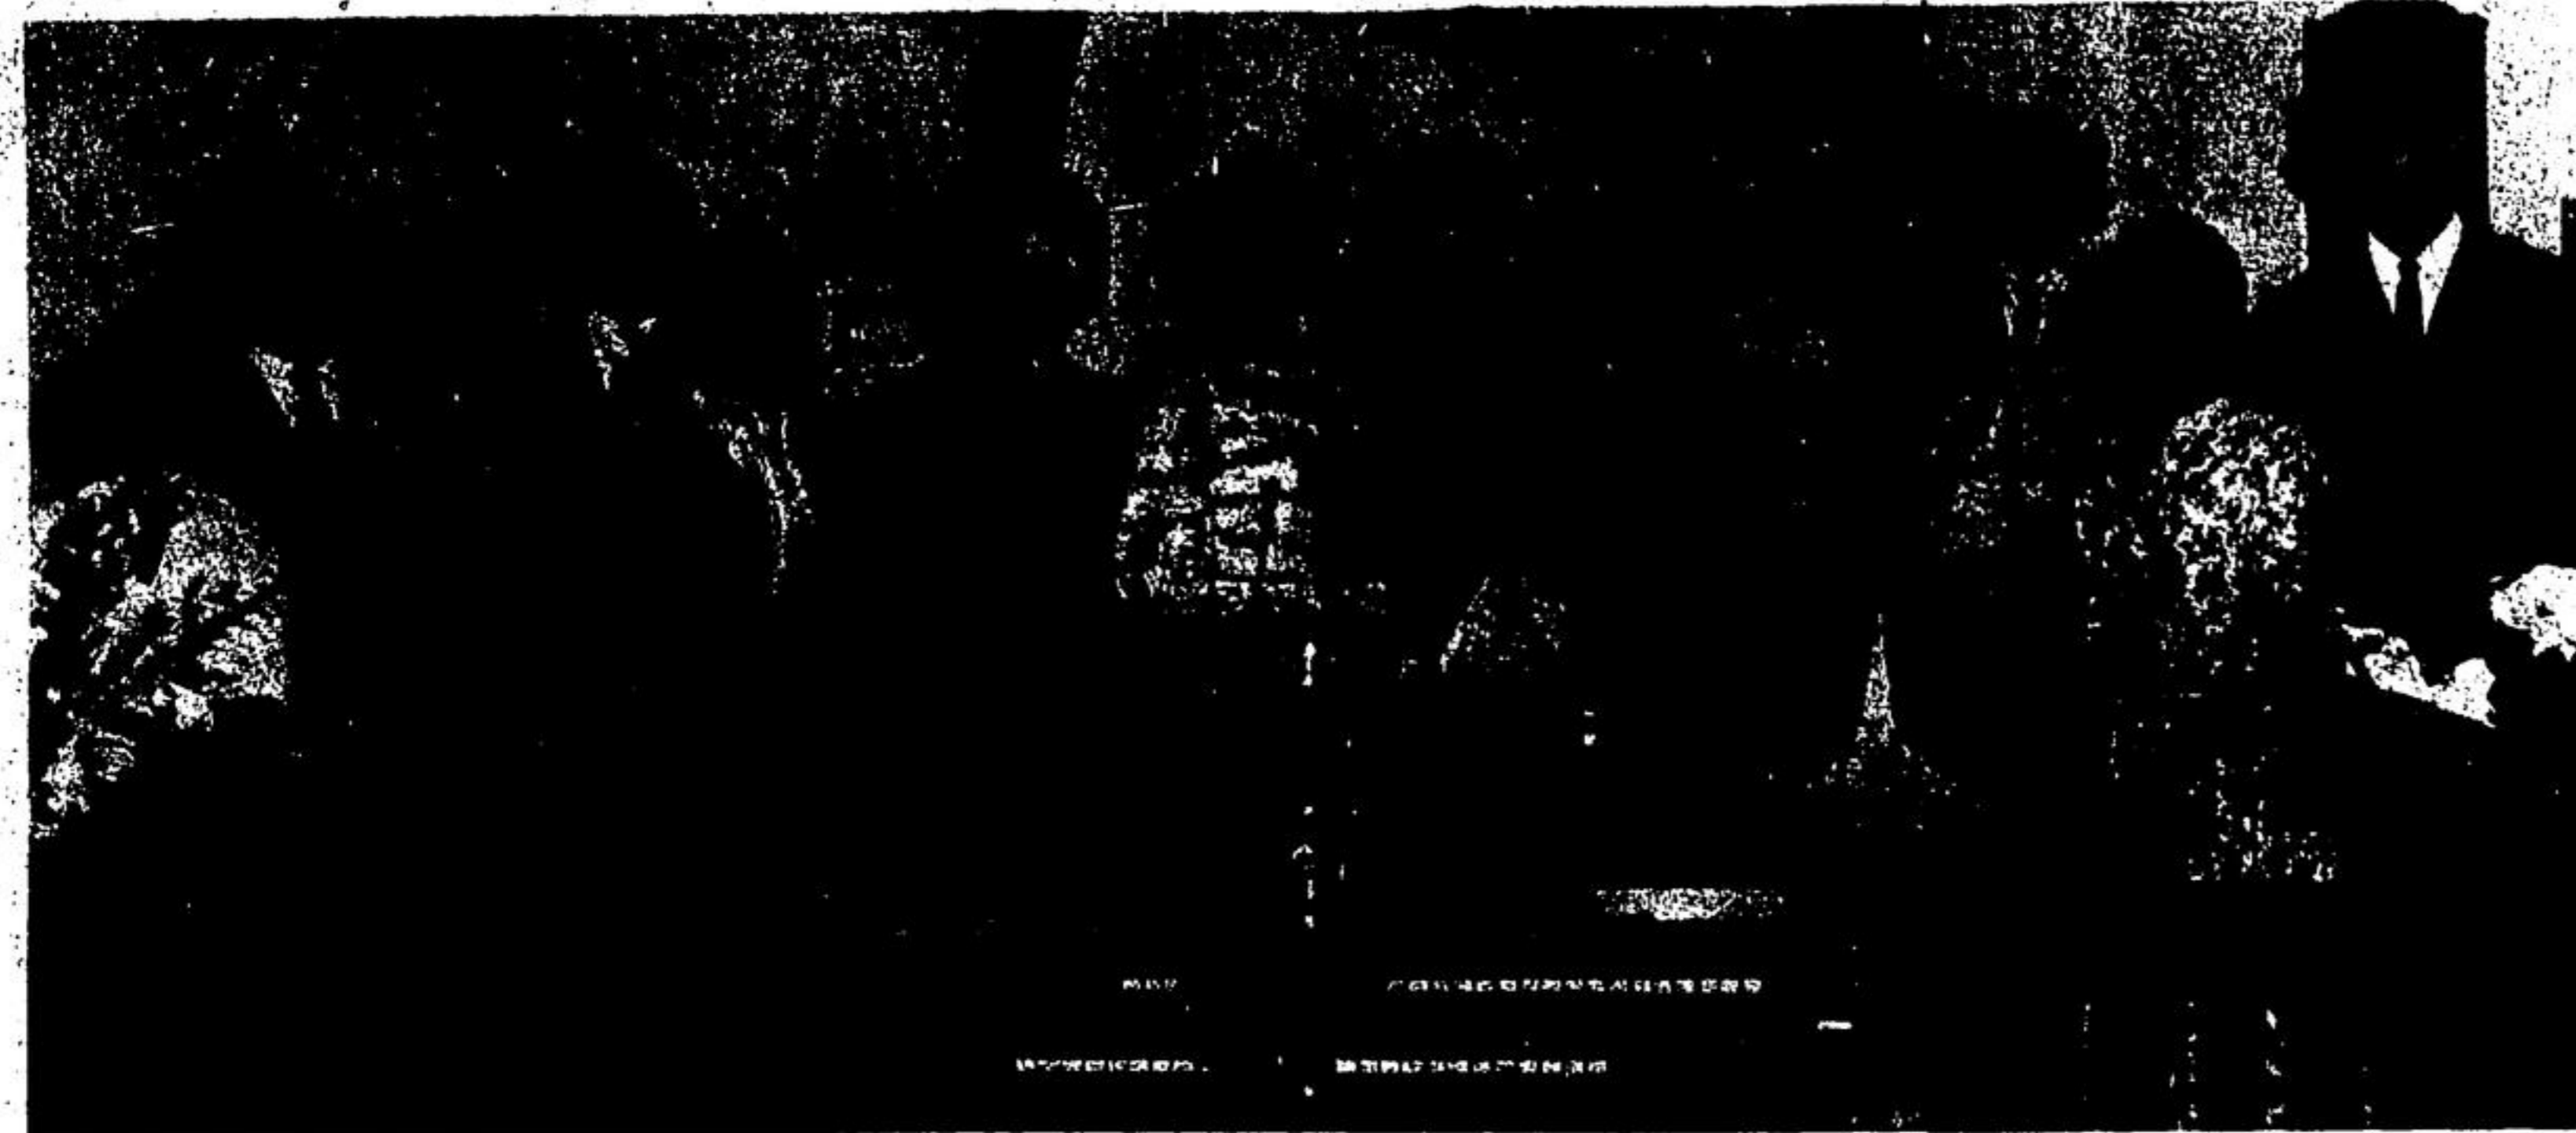

Application forms and information on these Capital Grants are available at each office on the Ontario Department of Agriculture and Food.

### LIMEHOUSE

## Young People hold Centennial service

Congratulations to Mrs. and Mrs. John Baker on the arrival of their wee daughter at hospital in Georgetown a week ago.

The Young People's Society of Limehouse Presbyterian Church arranged a Centennial church service on Sunday evening which attracted a fair number of souls. Teddy Brown opened the service and led in alternate scripture readings.

Robbie Roughly read Scripture lessons, and Rev. F. N. Young had an appropriate sermon. The choir, all in old time costume, sang and Misses Betty Ann and Mary Lou Brown sang a duet.

A number of ladies in the congregation wore the old styles. A table of antique lamps, glass, china and bibles attracted attention in the basement, where a social hour ended a worthwhile venture.

Mr. and Mrs. Wesley Noble of Bidwell, Manitoulin Island have been visiting the Nobles' and Merediths'.

Mr. and Mrs. W. Greenleaf of Campbellville visited the A. W. Benton's on Sunday.

Good luck to local young people going on to further education including David Roughly continuing at Ryerson, and Mary Lou Brown and Linda Linham to Lakeshore Teacher's College.

Looking on are some of the ladies who dressed in the old fashioned way, left to right, Mrs. Lloyd McEnery, Mrs. Walter Linham, Mrs. Jack Roughley, Mrs. Cam Sinclair and Mrs. Ted Brown. (Staff Photo)

Please inform us of others. Miss Betty Ann Brown is teaching at Harrison School in Georgetown and Miss Carole Lawson at Limehouse. Both are recent graduates of Lakeshore Teacher's College.

# Do you qualify for OMSIP Premium Assistance?

Your medical coverage could cost you less than you think!

If you have no medical services insurance and because of your income you felt that you were unable to afford the premiums, you can still afford to join the Ontario Medical Services Insurance Plan—because OMSIP gives premium assistance to persons who have lived in Ontario for 12 consecutive months or more, based on the amount of their taxable income.

### What is Premium Assistance?

By Premium Assistance, OMSIP means either a greatly reduced cost of coverage, which you pay in low installments once every three months, or where applicable, complete payment of your premium by the Ontario Government.

### How to tell if you are eligible for Premium Assistance:

Premium assistance is based on the amount of your taxable income for the year ending December 31 last. Check your completed Income Tax return for the past year under "Taxable Income" (that's the reduced amount of money on which you pay tax after taking off any exemptions for your wife, dependants, charitable donations, etc.).

You may be eligible on the following basis:

- (a) Single: You are eligible if your taxable income was \$500 or less. Your OMSIP premium will be \$7.50 every three months.
- (b) Couple: You are eligible if your combined taxable income was \$1,000 or less. Your OMSIP Premium will be \$15.00 every three months.
- (c) Family: You are eligible if your family's total taxable income was \$1,300 or less. Your OMSIP premium will be \$15.00 every three months.

If you had no taxable income at all last year, your OMSIP coverage may be paid in full by the Ontario Government.

### When to apply for Premium Assistance:

You may apply for Premium Assistance when you join OMSIP, or during the annual renewal period. Premium Assistance is not automatically renewed. Even if you had no taxable income, you must still reapply annually when you receive your personalized application and renewal form which is mailed to every contract holder prior to the July renewal date.

So if you have no medical services insurance and because of your income you felt that you were unable to afford the premiums, then obtain an application from any bank, or from OMSIP, 135 St. Clair Avenue, West, Toronto 7. A free brochure "Premium Assistance" is available from OMSIP.
