Headpin Hillies

Well it was a busy Saturday morning and afternoon for Supervisor Ivy Martin and her coaches Mary Anderson, Sylvia Mages, Tinnie Masales, Dave Pink and Steve Blanchard when they got the Y.B.C. bowlers underway. Along with Jeff Fryer from the Major League and Lynda Harris from the Y.B.C. Juniors, the tyros were drilled in the basic fundamentals and the returnees from previous seasons got in the limbering-up practice. This coming Saturday the boys and girls will be separated into teams and they will be into their competitive schedule. Jackie Palmer, the Acton Lanes Y.B.C. press secretary will be reporting the Y.B.C. bowling from herein in her capable manner. Welcome back Jackie to the news beat -- President George Nurse of the Central Ontario Bowlers Association has and will include Acton in his busy schedule of presenting the C.O.B.A. format for the coming season -- busiest bowler we know of at the present is John Churchill. John, a graduate of the Y.B.C. is now employed by the Beardmore Company so John naturally joined up with the Beardmore League. Apparently that wasn't enough for John so he signed up with the Industrial-Commercial, found a spot in the Major and so help me last Friday wiggled into the Acton Mixed and that my friends adds up to a lot of bowling and I hope, good scores -- that winds it up my friends, so adios amigos and good-night Daly City.
