At Youth Bowling Council
by Jackie Palmer

Well it is the beginning of a new and successful bowling season. We have a number of new faces and stars and which of the two is better it's hard to say. I would like to call your attention to our manager Mr. Ken Hulford

who is the one our bowlers contribute thanks to for having this wonderful league and of course to our one and only Supervisor Mrs. Martin, who rain or shine, comes out to help us to be a good bowler and most of all a good sport. On behalf of the league, I thank you.

In the Y.B.C. Bantam Division there seems to be a mix-up, in reality Dogs are supposed to beat Cats but not this time. The Cats took the Dogs by winning the two games. The Gophers won two games by defeating the Monkeys. The Mice took one game and total pins over the Skunks.

The Top Ten bowlers were: Chris Tennant 147-127 (214), Wade Knight 144-124 (266) Jim Krapek 120-133 (253) Ronnie Turkosz 131 121 (252) Ronnie Moore 125-124 (249) Janet Storey 145-95 (240) Cathy Norrie 95-144 (239) Blair McCallum 85-153 (238) Cindy Norrie 139-96 (235) Gord McConnell.

The Reinhardt's Seven up and Coca-Cola refreshing refreshers were won by Helen Robertson, Wendy Lawrence, Chris Tennant and Blair McCallum.

The most consistent bowler was Dale Brown who bowled two games of 45, 45.

In the swinging Junior and Senior Y.B.C. Division the Hipple's won three swinging games from the Swingers. The Hotshots sure were hot, winning three games from the Kooks. The Unknowns won two games and total pins from the Devils.

The Top Ten swinging bowlers were: Wayne DeForest, 598 (238) Gary Turkosz 576 (212) Dave Pink 565 (249) Jackie Palmer 534 (202) Larry DeForest 533 (217) Rod McCachern 513 (170) Gary Price 481 (182) Kevin Perkins 465 (165) Roger McEachern 464 (176) Glen McKunzie (186) Debbie Storey 464 (179).

JACKIE PALMER, Free Press Youth Bowling columnist, received special recognition for her journalistic efforts when a certificate was presented for outstanding service to the bowling industry. It's the first time a junior bowler has received a certificate. Acton Lanes proprietor Ken Hulford, right, also presented Jackie with a pair of bowling shoes recognizing her work with the youth while supervisor Ivy Martin, left, looks on. Jackie was unable to be present at the Bowling Proprietors' convention to receive the award. (Staff Photo)

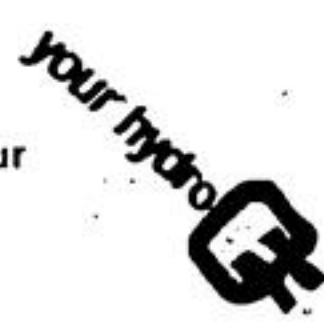

If you're looking for a place to start on home improvements, consider these facts about electric wiring.

To most people, home improvements mean a paneled recreation room or a shiny new set of kitchen cupboards. But there's a way to improve the improvements: modernize your home wiring first. Up-to-date wiring lets you make the most of the new room you're building, or the old one you're re-styling. It lets you place your lighting, wherever you like, have as many electrical outlets as you choose, and use as many appliances as you need without popping fuses. In fact, you'll notice pleasant changes all through your home. Modern wiring can improve the efficiency of your light-

ing and the performance of your appliances. It puts such comforts as electric heating and air conditioning well within your reach. It can also make a big difference to the safety and re-sale value of your home. Before you reach for your toolbox, reach for your telephone. Call a qualified electrical contractor, or your Hydro.

Up-to-date wiring costs less than you may think. Yet it could be your most important home improvement of all.
