A belated credit and thank-you to Earl Middleton who took the pictures of our Y.B.C. Doubles Champions last week. Earl also took one of your truly. Needless to say, Earl's camera will never be the same-- I quote John McNabb in his Sports Spot column, "Besides Christmas and Santa

By Jackie Palmer

Oct. 21: Well things seem pretty quiet last week in our Y.B.C. because our genial manager smiley himself, Ken Hulford, had laryngitis. But things looked up when our Supervisor Mrs. Martin showed up back on the job. We welcome to the Bantam Division, three new members, Terry Gow, Gary Pickles and Barry Payne. To the Junior and Senior Division Guy Payne. Happy Birthday to Lynda Knight who has reached the ripe old age of six.

Clause, I think that hockey is the only thing that keeps these kids going in the winter months. If the McNabb cares to drop in to the bowling lanes any Saturday morning or afternoon, he will see the place filled with Y. B. C. youngsters not only learning the basic fundamentals of the largest participating sport on the North American continent, i.e. bowling, but having a whole of a limo enjoying it. If the McNabb has time to read it, I quote the "Philosophy of the Youth Bowling Council". "We hope through our efforts and efforts of Thousands of Adults to instill in all children a love for bowling, not only as a sport but also as a Form of Social Recreation, that they and their Families may take part in it for the rest of their lives. Bowling in an organized Youth League provides the best opportunity for all Boys and Girls, of all Ages, to learn the values of Sportsmanship and Fair Play. The fact that bowling teaches coordination, and good fellowship, and may be played alone, with a friend, with a family or in competition with others of like ability, makes it the number one Participation Sport in Canada. The fact that bowling is the only sport that all children, regardless of mental or physical abilities, may take part in as equals, makes Bowling the No. one Social Recreation in Canada."—that winds it up once again my friends, so adios amigos and good-night Daly City.

When the Phycos defeated the Hotstuffs three games in a row. The Hippos wiped out the Kooks by winning three games. And the Unknowns took three games off the Swingers.
