Scout News

Our troop now numbers 30 boys, which is about the limit. There are three patrols of eight boys and one of six. Any boy (over 11) desiring to join the Acton Scouts will be entered on a list and at the first opening in the troop will be allowed to join. (Phone 853-0406 for application).

At the November 2 meeting we did some marching practice for the Remembrance Day parade with Bosun and first aid instruction with Gunner.

Points received in the patrol competition: Beavers 63, Eagles 22, Lions 23, Tigers 42.

Bosun is organizing a hike on the Bruce Trail for Saturday, Nov. 11 and is asking the scout fathers to help with transportation to the starting point (Silvercreek) and from the finish, home. Volunteers are asked to phone 853-2063.

The regular scout program will be dropped for a couple of evenings starting Nov. 9 in favor of lectures and films by the Department of Lands and Forests. These lectures will allow all Scouts to earn the Forester Badge and Forest Conservationist Badge.

Don't forget pencil and paper and remember the regular meeting starts at seven o'clock instead of 7:30.

Anyone ready with tenderfoot, second or first class requirements is asked by Bosun to come to the scout hall at 6:30.

ACTON HIGH Sports Review

with Fred Barons

Soccer Team: Acton finished its league schedule with a flourish by walling Milton OSD 4-0. The Acton team was a very confident one and thus a relaxed team. This enabled them to concentrate on playing the game more than to rub in personal grudges.

Also if one of the Acton players made a mistake (there was always a man to cover up or else there was goalie Jim Pheil. This was Jim's third shutout of the season. The goal getters for Acton were Paul Cooper, Terry Churchill, Brent Marshall, and Mike Marcoux.

Mr. J. Holmes, the coach, was very pleased with his team's performance during the whole game.

So drawing a conclusion the Acton High Soccer Team showed that it still had spunk left in them and I am sure that they will be really raring to go come next season.

Final standings of the soccer teams:
1st Elora 12 pts;
2nd Orangeville 7 pts;
3rd Acton 5 pts;
4th Milton 0 pts.

Gym Classes: All boys' classes in the High School are now at the present time attempting to learn or relearn the basic volleyball skills. The most exasperating exercise for us at first were the finger tip push ups but now most of us find them quite beneficial and are quite proud of themselves when they have completed ten of them in a row.

Cross Country: This year's cross country team has got to be the school's best ever. Under the careful guidance of Coach Andrews the "fleet footed" runners have met with great success over schools like Orangeville, Elora, and Milton OSD.

With such participants as: Jim Slaven, Bob Andrews, Brent Marshall, Rob Roughly, Mike Cooper, and a host of others it is inevitable that victory is ours. Good luck to everyone involved.

Senior Boys' Basketball: Sixteen young and energetic men tried out for the team. This was a better turnout than last year. Two of the men are 1st stringers Terry Churchill and Allan MacNabb.

They have a very strong team and there is a great improvement over the players who played last year and came back this year. These players are providing the team with a great deal of excitement.

Coch MacCallum is going to start nine guys in the first game. Doug Dick is the manager of the team along with scorer Jim Lee who are both practicing with the team to improve their playing abilities. Their first regular season game is on January 9th. So until then they will have exhibition games with Fergus, Milton, Bishop MacDowell, Georgetown, and Orangeville. The following players have been told to report to practice: A. McNabb, Fred Flenk, John McGeachie, Terry Churchill, Bob Turkoz, Phil Dupuis, Bill Landsborough, Mike Marcoux, George Wallis, Dave Woodhouse, Lloyd Smallwood.

Present cheque UNICEF record

Total collected for UNICEF at Hallowe'en will, without a doubt, be far the highest this year.

Collection from the school children's boxes Hallowe'en night amounts to \$381.62.

Representatives from the Robert Little School will present a surprise cheque for the amount raised in school projects at the Y's Men's meeting tomorrow night.

A GIANT MURAL DEPICTING the Alps with nestling Swiss village provided an appropriate background for the Edelweiss ball at the high school Saturday night. A large crowd enjoyed the festivities which included picking a Queen from among five finalists from students at the school. (Staff Photo)

Sell poppies on weekend

Poppies - the Legion symbol of remembrance - were sold door-to-door and on the streets on the weekend. By the time of the annual service on Sunday most of the paraders and spectators wore the bright emblems on their coats.

The special poppy flag flew at the cenotaph.

BONNIE MacDougall found the music at the Edelweiss ball to her liking.
