Pre-teen, early teeners dance non-stop, new beat

Dancing to the new beat, a successful party was organized and held in St. Alban's Parish hall by a group of pre-teens and early teens on Friday, November 24.

Colored flood lights and auxiliary lights, together with the Old World atmosphere of candles burning in wine bottles, supplied the illumination for an evening of non-stop dancing, interrupted only by a halt for refreshments.

Judy Holmes was mainly responsible for the presence of 14 eager trippers of the light fantastic. Guest of honor for the evening was John Last.

Those present were: Judy Holmes, Darlene Holmes, Charlene Hubble, Jane Withers, Clady Lee, Laurie Mellor, Melody Raff, Brenda Browne, Debbie Drinkwater, Debbie Schonnapp, Guy Payne, Steven Mellor, Peter Hargrave, Terry Holmes.

SCOUT APPLE DAY Saturday netted Scouts \$125 after they paid for apples. Ken Esch was the best salesman, netting \$13.73. (Staff Photo)

To-morrow is the last night in November's patrol competition. Standing: Tigers 142, Beavers 124, Lions 82, Eagles 74. I hope we soon have some more boys ready for investiture.

Saturday's Apple Day was a great success. We thank all the cubs and scouts for their effort and last but not least the public for their generous support of the

1st Acton Group. Mr. Neil Miller believes the net profit to be around \$120. Ken Esch was the best salesman of the scouts with \$13.73. While the apple sale was on, supervised by Bosun, Gummer and I took a basic "B" course scouting in Georgetown from 9 till 9, organized by our Assistant District Commissioner in charge of training, Mr. Tom Higgins of Norval.

NOTES FROM
ACTON HIGH

Music was again enjoyed by those who attended the coffee-house last Friday and Saturday nights. The R & B sound of "A Shade of Love" is up to date and is the favorite of everyone. Their numbers included two R & B classics "Hold On" and "99-1/2". Project Action is having a dance at the high school this Friday Dec. 1. The dance is open to anyone so lets see everyone. The band is "The Real Mystics" from Toronto, one of their top rate groups.

There has not been a meeting the past three weeks because of examinations but Christmas plans are soon to be discussed. Hippiess?

On the Subject of Twiggly. Once called an "adolescent angel", Twiggly has brought about a change in the whole fashion scene. At only 17 she has appeared in such high class magazines as Vogue and Elle and has portrayed the feeling of youth all around the world.

Her name has become a household word, this frail and undernourished looking girl.

Twiggly is the biggest thing that has happened since the Beatles.

Her short boyish cut, big blue eyes and long, thin figure combined seemed to be the new look, the look of today and the look of youth.

Twiggly has even managed to have her image in Madame Tussaud's wax museum.

Comments on Twiggly seem to go from one extreme to another. "Her legs look like painted worms". "She's youth and freshness".

Twiggly, who is an untrained model, is reportedly making over \$120 an hour. She has her own company "Twiggly Enterprises"

which is supposedly taking in \$10 million a year.

Not bad for a 17 year old girl. Whatever it is that Twiggly has certainly seems to be making her a lot and certainly her image will live on forever.
