Hospital gifts answer roll call

by Mrs. R. McLean

The vice-president, Mrs. Don Joss presided at the recent U.C.W. meeting, opening with a reading, "Did you know God is dead?" The evening's program consisted of three skits. The first one was "New Neighbours" with Mrs. Ward and Mrs. Hayward. It showed the prejudice against the Canadian Indians.

The second was "St. Peter look at me" in which Mrs. Diamond, Mrs. Henry and Mrs. McLean tried to show St. Peter, taken by Mrs. Joss, why they should be allowed to enter Heaven. It showed how easy it is to become so engrossed in church work that one misses the real human needs around us.

The third skit was "Stranger at the Door" with Mrs. Moffat as the lady of the house, and Mrs. Joss as the caller. It showed how

again my friendless, so adios amigos and goodnight Daly City.

we pay union, lodge and entertainment dues without question, but generally just depend on the church for special occasions and give to it sparingly.

The caller finally revealed himself as the minister, who concluded, "It depends on what is important to you."

14 Ladies answered the roll call with a gift to be sent to the Ontario Hospital in Hamilton.
