Illness cuts attendance at Golden Age meeting

Owing to the prevalence of flu and other ailments, attendance at the Golden Age club Tuesday was the lowest for some time but with the presence of officers and a genial group of

members a meeting was held and a good time enjoyed. Prizes for euchre went to Mrs. Pearl Kennedy and Mrs. R. L. Davidson for the ladies and R. L. Davidson and Mrs. J. Crossley for gents. Ladies' crocholo prizes went to Mrs. Robert Warne and Mrs. Mason and gents' prizes were won by Mr. Warne and Mrs. De Vries.

Mrs. Mason was the only one present with a January birthday. Next meeting of the Golden Age club will be the annual meeting, with the hearing of all reports and election of officers on the agenda. Much business will be handled; fees may also be paid.

Members are urged to attend and bring a prospective member. They are also asked to note all future meetings will be held in Linton Hall, Willow St. on Tuesdays instead of Thursdays, but at the usual hour, i.e. the first Tuesday of the month at 2 p.m. and third Tuesday at 7:30 p.m.

Before the school board meeting Tuesday night, board members took a look in classrooms and along corridors of the R. L. school and observed "every inch" was spanking clean for the return to school the next day. The M. Z. B. school is just as clean and tidy, they were told.

Group Medical Services Insurance with OMSIP.

From the first of January 1968, the Ontario Medical Services Insurance Plan will accept applications for Group Insurance coverage. You will find several advantages in this new provision:

SMALL GROUPS:	COLLECTOR AND EMPLOYMENT GROUPS:	RATES:								
Now group coverage is available to small groups too. OMSIP will offer group insurance to small groups—minimum size 6 persons. Since other plans have in many cases required a minimum of at least 20 persons to obtain group coverage the new OMSIP plan will widen the availability of medical insurance to many small groups, as well as large.	An innovation offered by OMSIP group coverage is its availability to groups with some common bond other than employment. For instance, members of a business or professional association might form a group in order to take advantage of more convenient medical insurance coverage. Employment groups, those made up of people at a common place of employment, are of course also eligible.	The same low OMSIP rates will be available to groups as they are to individuals:								
		<table border="1"> <thead> <tr> <th>TYPE OF CONTRACT</th> <th>YOU PAY</th> </tr> </thead> <tbody> <tr> <td>The single person</td> <td>\$ 5.00 every month</td> </tr> <tr> <td>The family of two</td> <td>\$10.00 every month</td> </tr> <tr> <td>The family of three or more</td> <td>\$12.50 every month</td> </tr> </tbody> </table>	TYPE OF CONTRACT	YOU PAY	The single person	\$ 5.00 every month	The family of two	\$10.00 every month	The family of three or more	\$12.50 every month
TYPE OF CONTRACT	YOU PAY									
The single person	\$ 5.00 every month									
The family of two	\$10.00 every month									
The family of three or more	\$12.50 every month									

Effective Dates of Coverage:
A) If the applicant applies within 30 days of the termination of coverage by a group medical insurance plan, OMSIP coverage begins on the day following the termination of the former coverage.
B) OMSIP coverage of other group applicants becomes effective three months following the date when application is received and approved.

OMSIP helps pay your doctor's bills. OMSIP pays 90% of Ontario Medical Association schedule of fees.
