Acton is locale for '67, "highlight'

In her weekly column in The Canadian Maggie Grant reminisced about 1967 with a series of unexpected highlights including this one: "Justice: During 1967 the scales of justice continued to wobble, as ever. While awaiting trial for filching \$2 from a girl's wallet, a Toronto boy of 16 spent two-weeks in jall because he couldn't raise \$1,000

for ball. But in hearby Acton, a lad who stole \$156 was not only set Ahim go, straight and the mag- charged to the municipality istrate approved the told. So. thought to ask the City of Vanconver how it delt about acquirdng this new resident."

Township investigating protection for crossings

Discussion about protecting level railway crossings took priority at Nassagaweya Township's first meeting of 1968 on Monday night.

Council received an estimation of \$22,000 to protect a double track crossing with lights, a ringing bell and gate plus \$650. to cover the annual maintenance of a double chassing.

Irea, but accorded a free trip to . . Eighty per cent of the cost is Vancouver. He had pleaded that absorbed by the Rallway Crossthis change of acone might help ing Fund and 12.1/2 per cont is ... Council, also wrote to the
