**YOU DON'T LOOK FOR A FARM EVERY DAY BUT WE DO !!**  
 We actually have hundreds, yes hundreds of people, most of them from big cities like Toronto and Hamilton asking us to locate for them a property in the country. Some of these buyers want big farms, two hundred or more acres. Others just want a hundred acres or so. Still other would-be purchasers want only to buy a few acres — and so our search goes on. Country homes of all types and description are in great demand as are farmettes and country home-sites. The prices being offered by some of our clients are astounding. We've had several sales in recent weeks of farms in the \$60,000 price range, and just last week a client paid over \$89,000 for a farm. Do you want to buy? Do you want to sell? Our Rural Sales Department is staffed with experts who can help you.
