

NOTES FROM ACTON HIGH

On Feb. 1, the Acton Senior Girls' Basketball team once again came out victors. O.S.D. sent a team of very challenging players, but that did not frighten Acton.

In the first quarter, Milton went out to score 10 points. Acton raked up only seven. At half-time Milton still outdistanced Acton with a score of 21-17.

Then Acton set in and when the final buzzer went the score was 45-25 for Acton. The top scorers of the game was Heather McGeechie with 14 points. Second was Trudy Morris with 10 points. Congratulations, team!

The members are Bev, Brunelle, Britta Larsen, Donna Williams, Heather McGeechie, Janet

Bridges, Linda Wood, Irene Seversonski, Trudy Morris and Cathy Krul.

The Acton Junior Team were not as lucky. They also played the Junior team from O.S.D.

At three-quarter time the score was tied 23-23. Then O.S.D. took over the game, popping in five baskets and a foul shot to make the game 34-25.

Thus the Juniors started off the month with a defeat. They promise to win one game for us, however. The top scorer was Joan Gibbons with a total of 17 points.

The members of the team are Bonnie Jones, Trina VanderPolter, Susan McGiloway, Susan Glendonning, Carol Masales, Joan Gibbons, Linda Perry, Julie Smith, Debbie Slingerland, Marg Slaven and Chris Brunelle.

This Friday (Feb. 9) the basketball boys' team is going to host Georgetown for a basketball game.

The cheerleaders will give a pep rally and cheer. After the game there will be a dance with the music supplied by the Shaynes. So come out and support our "Athletic Night". It begins at 8:00 sharp and the proceeds go towards our Athletic Banquet in May.

Due to new regulations students must be signed in or have an A.D.H.S. identification card. These cards or student cards must be shown at the door. The cost is \$1.00 with G. A. A. membership card or \$1.25 without. This includes games and dance.

On Feb 15 at 8:30 there will be the annual Valentine's Swirl at the High School. The music will be supplied by Bobby Washington and the Soul Society. The cost is \$2.50 per couple or \$2.25 with G. A. A. card or \$1.50 or \$1.25 with G.A.A. card. Come out for an evening of enjoyable dancing.

The Girls' Athletic is also sponsoring a trip to see the Ice Capades at the Kitchener Arena on Feb. 22. The bus will be leaving the school at 6:30 sharp. The cost is \$3.10 and this includes your bus transportation. See this worthwhile show!

Submit proposals for consideration

Acton council heard two proposals at their last regular meeting.

Reeve Hinton said he'd like to see the road committee investigate the possibility of a connecting link between the Mill and Main corners and No. 25 side-road. He also suggested council take aggressive steps to acquire county roads for connecting links. The reeve suggested Georgetown was getting all the benefits of the program and Acton could be left out in the cold.

The second suggestion came from the Mayor. He was concerned that with a new sewage plant addition the town install sewers on Churchill Rd. N. The street has been in Acton for 12 years and still has not received the service, he pointed out.

"To have the plant built and not to do this leaves me open to criticism," said the mayor, who lives on the unserviced road.
