went 206-206-206 --- "twas a rough second game for Elma Braida in the Acton Ladies' League but it had its consolation. The weekly prize was awarded for the least number of spares and Elma was the winner --- Jill Hurst, one of our former Youth bowlers now currently attending the University of Western Ontario, London, is on the college girls' bowling team and in the recent match between the colleges for the Universities Championship of Canada, her team lost out to the University of Saskatchewan by 11 pins. Jill, with an average of 208, was high bowler in the tournament --- winners in the Major League weekly sweeps were "Spike" Spires with an 838 triple and Mike Churchill with a 318 single --- that wins it up once again my friends, so adios amigos and goodnight Daily City.
