About 10% of executives need a frank talk about their drinking habits, says Dr. H.J. Johnson, medical director of the Life Extension Institute, New York. The institute specializes in health examinations for executives. "Every person who consumes more than 6 oz. of whisky daily should be considered a potential problem drinker and a candidate for either alcoholism or cirrhosis." Dr. Johnson writes in the Journal of Occupational Medicine.

**OBITUARY**

**Mrs. Isabelle Oram resident 12 years**

Mrs. Isabelle Jane Oram, who had come to Acton to live from St. Catharines 12 years ago, passed away March 23 in her 90th year. She had been in poor health for the past three and a half years.

She made her home here with Mrs. Isabel Watson, 15 Mill St., Acton.

She was the daughter of Isabelle and Oliver Lasby, born in Nassagaweya township October 7, 1878.

Her husband predeceased her in 1954 and one daughter predeceased her in 1929. One brother, Col. Oram, died in Denver, Colorado, in her sister and two brothers predeceased her. Mrs. Thomas Elliott of Acton, Sam of Acton and William D. of Tacoma, Washington.

Funeral services were held in Acton at the Rumble-Shoemaker funeral home on March 25, conducted by Rev. A. H. McKenzie.

That evening memorial services were conducted in St. Catharines by the members of the Mount Olivet White Shrine and Garden City Eastern Star.

On March 26, funeral service in St. Catharines was conducted by the Rev. Bridge, and interment was in Victoria Lawn cemetery, St. Catharines.

Pallobravers were two firefighters (her husband had been fire chief); two members of the Eastern Star and two members of the Mount Olivet White Shrine.

**Malicious damage at R. L. school**

Malicious damage at the Robert Little school over the weekend was reported to Acton OPP Sunday morning, and Const. Farion investigated, questioning several children.

Windows and screens were broken and shrubs were uprooted. Damage was estimated at \$50.
