

## Vandalism at park

Vandalism at Prospect Park has been causing arena and parks superintendent Harold Townsley grief.

This week someone even broke cement benches and kicked out railings on the band stand at the park entrance. The bench, a fixture at the park for years can not likely be restored. The railing can at the taxpayers' expense.

Mr. Townsley is eager to get the names of those responsible for the damage. He doesn't think they were children, because of the strength it would take to break the reinforced concrete on the bench.

He urges everyone to report incidents where damage is done. He points out it is ultimately residents who pay for the vandalism.

The latest incident joins many others in a continuing rash of disfigurement and breaking of public property.

Police are also keen on getting names of anyone involved in the acts of vandalism.

## Mill-Willow accident Friday

Two vehicles were involved in an accident at 10:25 a.m., April 19, at Willow and Mill and total damage was estimated at \$50.

A. Looynga of Acton and Robert Joseph Chaisson of R.R. 5, Rockwood, were the two drivers.

One car stopped at the corner and the other struck it from the rear.

VANDALISM at the park recently was another in a rash of destructive acts resulting in hundreds of dollars damage around town. This bench, with a back of reinforced cement was broken clear off by people park manager Harold Townsley suspects are old enough to

know better. Park employees Tom McKeown and Don Price inspect the old bench which was a favorite of older people seeking a few moments of solitude in a restful environment.

## Dancers, singers entertain members of Golden Age Club

A fine evening of fun and companionship was enjoyed at the regular evening meeting on Thursday. Mrs. Jack Crossley

and John Ford were welcomed back after lengthy illnesses. An informal program began with Bob O'Hara playing old fav-

orites on the accordion and everyone humming and singing along with him.

Mrs. Carpenter, with six of her students, and a visitor, entertained with tap-dancing and singing. Mrs. Carpenter and Marianne Coles played their guitars and sang duets. They also played and sang along with the rest of the group to the delight of all the club.

Mrs. Ballentine gave three humorous readings in her usual inimitable manner.

Mrs. Jansen sang in her wonderfully sweet voice, without accompaniment, "I Believe," and "Mother MacCree."

A lovely lunch was served by Mrs. Ferguson and her helpers. Little Cindy Lee became very shy and sweetly blushed when surprised by all singing, "Happy Birthday" to her when it was discovered this was indeed her birthday. Mrs. Ballentine was suitably saluted also as it was her 49th wedding anniversary and her birthday falls in April.

All members were extended an invitation to a reception honoring Mr. and Mrs. Jack Hargrave on their 50th wedding anniversary on April 27th - 2-5 p.m. in St. Alban's parish hall.

The Bus Trip Committee reported on their findings on a trip to Peterborough and vicinity.

## C.V.C.A. plans publicize work

Publicity and educational plans for the coming year were discussed at a recent meeting of the Information and Education Advisory Board of the Credit Valley Conservation Authority.

Mrs. Joan Rollings, Information Officer for the Authority, told members of the interest shown in the talks given throughout 1967 and explained how well the program was progressing this year.

Resources Manager S.B. White explained ideas for interpretative displays in the Conservation Areas where the public could have an explanation of what they are seeing.

The Board decided to prepare billboard type maps for each main conservation area. These could be seen from a car and would direct the public to their particular area of interest.

More details are to be worked out before the next meeting which will be held May 7 at 2 p.m.

Before leaving Marianne Coles graciously thanked the club, on behalf of the rest of Mrs. Carpenter's group, and herself, for the lovely evening they had enjoyed.

Bob Winton and Chas. Cutts were reported to be in Guelph General Hospital. All wish for them a speedy recovery.

## United Carr signs agreement with Union

Acton Workers at United Carr gained from the current contract settlement at United-Carr Canada Limited at Acton and Saltfleet for a two year Agreement, representatives of the United

Electrical Radio and Machine Workers said this week. Wage increases were based on three classification groupings. Increases were: First year, Group 1, 7 per cent,

Group 2, 8 per cent, Group 3, 9 per cent. Increases second year: Group 1, 7 per cent, Group 2, 7 per cent, Group 3, 7-1/2 per cent.

The top rate at Acton by April 1, 1969 will be \$3.47 per hour and the lowest male rate will be \$2.91 per hour and a female top rate of \$2.22 per hour. The new department starting in Acton will have rates reviewed three months from March 1, 1968.

Improvement in Welfare Coverage as outlined by the Union, includes payments based on 1967 O.M.A. Schedule. Weekly Indemnity of \$50 for female and \$72 male, with payment up to 32

weeks; Payment of \$1,000 paid up Life Insurance upon retirement; Pension Plan provides for voluntary early retirement at age 62 and for permanent and total disability after 10 years service. A cost of living clause based on D.B.S. Consumers Price Index is also included.

Improved vacation schedule of two weeks after one year and three weeks after seven years, was also agreed upon.

Negotiations were conducted by the Shop Committee in Hamilton, headed by Earl Doerman, Chief Steward for Acton and Jim Brown, Business Agent for Local 529 and UE National Co-ordinator T.L. Davidson.

## OSPRINGE

### W.I., church group elected

By Mrs. D. G. Robertson

Fourteen members and three visitors were present for the monthly meeting of the Christian Women's Fellowship of Everton Christian Church, held at the village home of Mrs. D. G. Robertson.

Mrs. J. McDiagall opened the meeting with a Scripture reading and prayer, followed by the roll call answered with "An Easter thought."

Mrs. H. Horlop gave the financial report, stating our goals for the year ending in April had been met.

The "Study on Japan" which is being discussed at each meeting was led by Mrs. H. Horlop under the topic "Muddy boots and polished shoes." The former represent the low-middle income group humbly working and witnessing in the church and on the job and the latter, represent the emerging white-collar or middle class, living in the new housing areas, facing business pressures and family adjustments inherent in their new way of life which make it difficult for them to be practising witnessing Christians.

A general discussion followed comparing conditions of the western world to those at home.

Mrs. A. Lillie had the worship service relevant to the topic. Service projects were discussed and it was decided to continue

making Comfort Kits for Viet Nam and aiding the "Save the children fund" with the making of diapers and receiving blankets. In the election of officers all last year's slate were re-elected except the position of secretary and assistant which are Marilyn Kingsbury and Mrs. C. McDougall respectively.

Following the benediction Mrs. D. Stewart and Mrs. J. Alton assisted the hostesses in serving cake and tea.

Mrs. Gordon Alton was hostess for the meeting of the Women's Institute.

Miss Doris Fines presided and Mrs. S. Fuller read the minutes, correspondence, and also the financial report.

An invitation was received to attend the Achievement Day of the 4-H Club Girls in Erin on May 4.

A cash donation was voted to the Canadian Cancer Society. Local reporters for the Farm Safety Survey are Brian Fuller and Mrs. E. Archibald.

Mrs. H. Van Barrssel offered to write to the Korean boy who is partially sponsored by the local branch.

A committee Mrs. C. Storey, Mrs. D. Winton, Mrs. H. Thorpe and Mrs. B. Wingrove were named for the closing service on May 10.

Plans were furthered for the bus trip set for late in May.

## Police report

### Malicious damage blamed on youths

April 14 to April 20, held a fairly busy week for the members of the Acton Detachment. During the 184 hours worked, and 970 miles patrolled, traffic activities dominated however criminal investigations and accident investigations were also encountered.

General occurrences totalled six, included two thefts, one insecure premises, two malicious damage and one indecent exposure. These occurrences are presently under investigation.

Traffic accidents numbered three during the week. There was a total of \$435 property damage and three drivers were charged as a result. Other traffic activities saw 16 charges laid and 21 warnings issued for various misdemeanors. There was no court attended due to Easter holidays.

Recently, this office has had various complaints involving broken car aerials and malicious damage to property etc., which we conclude is the work of youths.

## Missing car found next day

A car, taken from the Station Hotel parking lot, was found abandoned in Stewarttown a day later.

William Stanley Luciw, R.R. 4, Acton, reported his car missing to the Acton O.P.P. detachment on Wednesday of last week, and it was located the next day at Stewarttown.

## Wild...

(Continued from Page 7)

In addition to the complaints of Mrs. Cragg, Council heard a reverse story from W. A. Johnson of R. R. 2 Rockwood, who disliked the idea that just anybody could shoot dogs. He thought the owners of the dog involved should be liable for damages.

"I've lost two well-trained dogs recently. My dogs protect my family," he said. Mr. Johnson objected to groups of gun-happy men going out after dogs, which supposedly have caused trouble, because they usually kill the wrong ones.

Clerk J. C. McIntyre noted the dog licence fees would easily cover the costs of any service calls from the Humane Society. The township usually collects about \$1,600 per year from licence fees. Last year claims for killed livestock totalled just \$311.

Reeve Coulter said the cost would be negligible, if the dog control officers can cut down on the number of dog packs. "Let's get these dogs right away."
