GEORGETOWN RAIDERS copped the Junior "C" all-Ontario championship title last Friday night in what appeared to be, from a spectator's view point, a one sided affair.

New Hamburg miffered the 8-1 defeat at the hands of Gerry Inglis' high flying Raiders. Only opposition Georgetown actually came up against in their six playoff series was Milton. Huntsville, Dresden and New Ham-

burg all bowed to the Raiders in four straight bouts.

At an annual Tri-County Association meeting in Milton last week it was announced that Orangeville will pull out of the loop next meason and that Streetsville represented by Bill Snarr wished to enter the league with five teams.

Raiders all-Ontario Junior C champions

After six months of rugged, tough hockey that included six playoff series, the Georgetown Raiders have the all-Ontario Championship to call their own,

The Raiders wrapped things up on Friday night, handing New Hamburg an 8-1 defeat in the fourth consecutive win of the series.

Trout season opens Saturday

Eager anglers who've been watching the calendar avidly until the opening of the trout season will be heading for their favorite

fishing spot Saturday. That's the day it becomes legal to take your limit of speckleds, browns and rainbows from lakes, streams, ponds and creeks in this section of the province.

Although opening day is proverbially chilly, warm weather this spring with an absence of rain leads some anglers to speculate fishing will be good although the fish, as always, tend to be lean after the winter months. It is usually on into June before they fatten up on fly hatches and unlucky worms

washed into streams by rain. Many Acton and district anglers will be going north to the Thornbury district but most will stay around here, fishing the Eramosa River, Credit, the 12 Mile and 16 Mile Creeks and other assorted headwaters where trout might be lurking.

Ron Lane paced the Raiders in the final game, scoring three goals. Terry Leswick got a pair and Bill Dwyer, Brad Johnson and Tom Hay added singles. Bob Knack scored New Hamburg's

only goal. The Raiders bounced Milton from the Suburban group finals in six games and never lost a game in either of the three series they had after the group

Dresden, Huntsville and New Hamburg all fell to the Raider power, four straight.

Jack Roberts switches to Cardinal suit

After 17 years as a Campbellville Merchant, Jack Robertshas chosen to wear a Burlington Cardinal uniform for the 1968 baseball searon.

He'll be pitching against his

own mates this season. Roberts won the most valuable player award last year and is probably the most respected hurler in the Halton County League. He along with Harry Hamilton have pitched for Campbellville since the village introduced their

intermediate team. Coupled with Doug Cholewka of Burlington, Roberts should give the Cards the toughest pitching battery in the league.

Manager Earl Cairns will rely heavily on the arms of Harry Hamilton and Rainh Rintoul. Catcher Don Joyce has retired.

Expect Acton Meadows golf course to be open around middle of June

If progress on the new Acton Meadows golf course continues at the present rate, golfers should be playing its nine holes by the middle of June this year.

Directors of the course were out working in full force Saturday when this reporter drove out to the First Line to inspect it. Opening with bring golfing this district for the first time since there was a municipal golf course on the cometery fill at the turn of the century.

Firefighters ask increase next year

A raise in pay for Acton Firefighters will probably go into effect in 1969, Nassagawaya Township council barned Monday. The Township would be required to pay a share of the increase, through the agreement with Acton Fire Area Board.

Firefighters were requesting a \$3,000 increase in remuneration, to be spread over the 30 men in the Acton Fire Department through a points system based on attendance at fires and meetings. Half this increase would be absorbed by Acton council, with the remainder divided between Erin, Esquesing and Nassagaweya Townships which the fire brigade also covers.

Nassagaweya now pays \$7,600 annually to the fire area board, plus a share of maintenance, repairs and equipment costs. Clerk J. C. McIntyre reported

the present rates of pay would probably be maintained for 1968, with the raise becoming effective
