## Innkeepers edge Herb's

Station Hotel nudged Herb's Delivery 6-5 last night in town league softball under the park lights.

Herb's jumped into a 3-1 lead in the first inning on a timely single from Don Archibald after starting pitcher B. Smith walked four batters. The Mill St. Innkeepers kept hammering away at Fred Archibald's pitching until they forged ahead in the fourth. Winners collected 15 hits while the losers notched only six from B. Smith and L. Peavoy.

Ed Smith swung a big bat for the Station, smacking a home run and two singles in four trips. Jan Riddall doubled and cracked two singles with Pete Homer singling three times. L. Couchman doubled and singled and twirler Smith did the same.

Harold Townsley was the most productive for Herb's bats with two hits in three trips, one a ringing triple. He also walked.

Herb's - S. McCristall 1b, T. Masales 2b, P. Marzo 3b, H. Townsley C, Lucas RF, R. Coe SS, D. Archibald CF, F. Archi-

## Soccer Scores

By Charlie Thomson

GEORGETOWN  
VS  
ACTON PEE WEES

Thurs., June 27/68 - Rutlanders kicked off to start this League game. Celtic's first goal was scored by Scott Malcolm. The second goal by Celtic was a good running play by fast running Jeff Shields.

Jeff Shields finessed a play to score the last goal of the first half.

After five minutes of the second half Shields kicked one in from just in front of the goal giving the goalkeeper no chance.

Kevin Davis in goal for the Rutlanders played a good game despite the score. Jeff Shields scored the fifth and sixth goals for Celtic with his fast running and good playing. Final score - Celtic 6, Rutlanders 0.

In the other game on the lower field, Hotspurs and Rangers played with Hotspurs winning 5 to 1.

Rangers opened up with the first goal by Ron Turkowsky who is developing into quite a soccer player. Jim Timmings replied to tie the game.

Jim Gentles scored two goals which were exceedingly good plays too.

Nathan Field scored one goal on a penalty play and the other was with good combination from his fellow players.

Final score - Hotspurs 5, Rangers 1.

Georgetown kicked off and played some nice passing soccer but the Acton defence was capable of turning the attack. Acton settled down and kept most of the play in the Georgetown area after some nice passing plays.

Acton took the lead on a play going from Jim Gentles to John Hansen, who passed to Chris Tennant. He made no mistake scoring.

Acton went ahead on a great goal fully 25 yards out. Larry Quinn got the ball on a hard shot from his right foot and Acton was two goals up.

Acton was in top gear now and was unlucky not to go further ahead on a great running play.

C. Tennant flashed by two Georgetown defenders and his shot hit the cross bar. Hard luck, Chris!

There were some anxious moments in the Acton end but again the defense stood firm.

Acton scored their third goal on a good combination play. John Hansen passing to L. Quinn and a quick pass to Steve Brunelle. He sidestepped into the net.

A defensive mix up by Acton let Georgetown score their first goal just before the first half ended.

Acton 3, Georgetown 1.

The game slowed down a little in the second half and the play was mostly in mid-field. Some fine passing by Georgetown brought them up to the Acton area but good

goalkeeping and a determined defence kept them out.

Back up the field went Acton. They were unlucky not to score on two corner kicks, at least every forward had shots blocked. There were some great saves by the opposing goalkeeper who played a terrific game.

Then came tragedy for Acton in a break away. A Georgetown forward kicked the football which hit an Acton player on the arm. A penalty was called and Georgetown scored a second goal.

That ended the scoring, Acton winning a close one 3-2.

A good game by both teams. All 22 boys were stars. Thanks, boys.

Acton team coached by Bill Gentles, and thank you, Bill, for your co-operation.

Tues., July 2 - Falcons vs Mustangs.

Mustangs kicked off with the Falcons starting off with some good combination plays and they were using their heads to good advantage. Steve Brunelle of the Falcons is playing good solid soccer.

Terry Slaven made a nice play, outsmarting checks and making the pass to one of his players for a goal.

The play had been even up to this point.

Terry Holmes scored for the Falcons on a penalty shot. Bill Gentles, the Mustangs' right half can hook the ball very well.

The smaller Falcon players have shown some remarkably good passing and combination plays. Ken Anderson in the Falcons' net has made many good saves.

## Council

(Continued from Page 1)

to discuss changes at the corner, with Mr. Parker and engineer Ken Hyde in attendance.

Councillor Ted Tyler, who visited Terra Cotta park and noted Acton's name prominently listed as a contributor through the Credit Valley Conservation area, asked if council's representative could be asked about the lack of wash-room facilities. He found long line-ups for primitive "two-seaters." He pointed out everything else about the park was excellent.

A by-law was passed authorizing the mayor and clerk to sign quit claim deeds, in connection with the closing of an unused road allowance on Agnes St. as it affects Mrs. Phillips and John Lovell's properties. The closing has been authorized but the quit claim deeds had not been registered.

By motion, Joe Hurst was given signing authority while clerk McGachle is on holidays.

The town superintendent was authorized to purchase a summer uniform for himself.

As the mayor will be unable to attend the Orange Parade program to bring the town's welcome, Reevo Hinton said he thought he would be able to substitute.

Mike Luty scored for the Mustangs at the 25 minute mark, tying up the game 1-1.

End of first half - Falcons 1, Mustangs 1.

Falcons kicked off to start the second half and about one minute of play saw Peter Morrison touch the ball with his arm in front of the Mustangs' goal. Steve Brunelle took the penalty shot for Falcons and John McCutcheon in goal made a beautiful stop to ward off a goal.

The Falcons gave the Mustangs a very tough couple of minutes on two corner kicks. They kept the ball in around the Mustangs' goal for a good three minutes but just couldn't score.

Pete Morrison for Mustangs carried the ball down the field but didn't get a good shot on goal. John Hansen scored for Falcons on a pass from Steve Brunelle to put them one up in the game.

The Falcon goalkeeper, Terry Slaven saved the day on a good save just a second before the half ended. The play was a combination play by the Mustangs.

Final score - Falcons 2, Mustangs 1. A real good game by both teams.

## C. of C. to sponsor contest for model airplanes at Kelso

Model airplane flying out from all over Ontario, Quebec and the U.S. will be vying for trophies at Kelso Dam Conservation Area on Sportman Day, July 13.

Acton Chamber of Commerce in conjunction with Jim Jennings of Eden Mills, approached the Halton Region Conservation Authority with an offer to put on the competition as their contribution to Conservation Week and the Authority accepted.

Final arrangements for the event are settled. Teams will compete for 18 trophies in six categories including combat flights and stunt flying.

Members of clubs from Detroit, London and numerous Toronto and area clubs will be on hand for the meet. Two circles, 140 feet in diameter are all the necessary equipment - besides the planes. They come in every size and shape.

Model airplane flying requires craft skill to construct the planes and then hours of practice and trial runs to perfect flight techniques.

Among the many things on the program for Sportman Day at Kelso are a trout derby, dog water races, swim contest, fly-casting demonstration and trap shoot.

## Jeff Fryer twirls no hitter as Dominion wallops Herb's

Jeff Fryer, half of the Dominion Hotel mound crew, hurled the first no-hit game of the current town league softball season Thursday night as the league leaders whopped Herb's Delivery 23-2.

There were extenuating circumstances.

Herb's line-up, riddled by vacancies which they plugged with spectators and sidelined players, wasn't their best.

Since Jeff was overseeing a virtual command performance for the Innkeepers, Jimmy Bul-

lough decided he'd like a hitch on the hill for a little of the same. Herb's crew never got a hit from the expatriate third sacker but they scrounged five walks which were good enough for two runs.

Dominion hitters, meanwhile, were pilfering 25 safeties from Doug Vickery including a home run by Bryan Dunn. The score sheet is vague about any other extra bases since the principal calculator Chas. Thomson was taking in a box at bout.

The Innkeepers solidified their unbeaten position on top of the four team heap with the victory. They chased runs across in every inning, bar one - the fourth. The sixth was the big one as nine runners barreled home.

Mel Sheppard and Jim Kay covered the umpiring duties at the plate and bases respectively.
