W. G. Locker retraces World War 11 battlegrounds on eight-month tour

A full half century afterward, W. G. Locker visited battlefields of World War I. In a farmer's field in France he even located the place where he was wounded on August 25, 1918.

For Mr. and Mrs. Locker, their eight and a half month tour was a "thrill of a lifetime." They both enjoy travelling and are presently in Acton.

Retired farmers, their home is in Evansburgh, Alberta. He has been back to visit his home town of Acton various times, but this time he has his long trip to tell about.

The Lockers have been all the way to the east coast, and are in Acton for about a week. They have quite a few relatives here — Andersons, Hansens and Davisons among them.

Mr. Locker, son of the late Mr. and Mrs. George Locker, went to school in Acton but left in 1908. He joined the army in 1914. After the war, he went west in 1919.

HERE'S WHY IT'S SO GOOD...
each piece of piping-hot chicken is invitingly crisp on the outside... full of juicy mouth-watering flavor on the inside. That's why we call it **FLAVOR-CRISP!**

It's deep-fried under pressure so all of the natural goodness of the chicken is sealed in rather than cooked out.

FLAVOR-CRISP chicken is never dry. ALWAYS DELICIOUS.
