Halton - Peel minor soccer

Acton Mosquitos defeated Milton 2-0 last Wednesday night.

The first half was evenly played by both teams. Acton scored the first goal, with Billy McGilloway punting the ball to John Hansen, who made a good pass to Steve Brunelle to score. The first half ended Acton 1-Milton 0.

Going into the second, Acton carried the ball into Milton territory and kept the Milton goalkeeper busy. The team scored at the 19-minute mark, but it was called back on an offside.

Pin-size power player Nathan Field made a great play to Terry Holmes who in turn passed to Steve Brunelle for Acton's second goal.

Milton goal Mike Carrol did a remarkable job of keeping Acton down to two goals.

defence just didn't seem to be in the game and errors in front of the goal allowed Harris to score the second goal for Georgetown. The third goal was unassisted by Paliobuck.

Acton came to life and scored their first goal unassisted by Andy Leckie, one minute before the half ended. The score at the end of the half was Georgetown 3-Acton 1.

Five minutes into the second half, Acton scored their second goal with Roland McCulloch. Now the team began pressing for the equalizer, and although they were able to keep Georgetown from scoring, they failed to catch up.

The game ended Georgetown 3-Acton 2.

Award contract

Mervin Thomson Construction was awarded the \$1500 contract for construction of an industrial road into Acton's industrial park. The superintendent was authorized to get the necessary fence and tiling for the road.

Reeve Hinton questioned the town's purchase of fencing since it was customary for both people involved in fencing to pay for it.

Councillor Earl Masler assured Mr. Hinton that the fence would replace one which existed how and was required so the livestock on the farm did not wander.

"We have the responsibility to fence it since we are building the road," declared councillor Drinkwater.
