

Acton club wins own tournament

Acton All Stars played imperfect hosts at Saturday's softball tournament here.

Not only did the Acton league All Stars sponsor the event but they won it also—defeating Guelph's Armet Industries 8-4 in the final.

Teams from Georgetown, Guelph, Campbellville and Hillsburg competed in the tourney which enjoyed perfect weather.

Acton All Stars eliminated Georgetown Hunters 3-1 and Leavers of Campbellville 8-0 to catch a berth in the final. Armet Industries ousted Hillsburg and Campbellville.

Ed Phillips scattered nine hits as the All Stars took the final by overcoming an early Armet lead. They scored two runs in the first inning, three in the fourth and singles in the fifth, sixth and seventh.

Harold Townsley's booming bat paced the All Stars at the plate with a home run, a triple and single, his second homer of the day. Danny Arbic had a double and single. Stevenson, Shannon and Becker had two hits apiece for Armet. Whitfield and Barden hurled for Guelph, allowing 12 hits.

Chick Milne pitched a four hitter for the All Stars as they downed Georgetown 3-1 in the semi-finals.

Hillsburg eliminated Station Hotel in the second game of the tourney by a 5-3 score.

Acton All Star line-up: P. McCristall, Roy Shultis, H. Townsley, D. Arbic, T. Bossence, B. Shultis, D. Manes, P. Marzo, D. Archibald, E. Phillips, C. Milne, F. Daley, D. Price, B. Turkoz, R. Holmes, G. Mason.

GEORGETOWN HUNTERS and Guelph Allie-Chalmers players trade hand shakes after Hunters downed the Royal City crew in the final two frames. The game was tied 1-1 after nine innings so the decision was based on the team with most base runners in the final two frames. (Staff Photo)

the desires of the community and plan to accommodate them.

Clerk-Administrator Jack McGeachie said the town could make no decision on its future until residents know whether they can "stand on their own two feet" or will be saddled with regional government. Mr. McGeachie said the first alternative would make the town self-sufficient.

There was a chorus of Amens from both panel and audience. Reeve Bert Hinton felt the meeting was getting off the track of the transportation study. He lectured panellists on the role government could play in Acton's growth.

"These are provocative statements for laymen," said Reeve Hinton of the projections made. "The idea Acton may have 200,000 people is far out." Mr. Hinton suggested to 60-40 or any other given ratio was a thing of the past, stating a list of assets and liabilities would give a more "valid effect." "I hate to see the 60-40 ratio drilled into the community."

Mr. Hinton also suggested goals plans one only aggravated the situation we already have and plan four was "way out." Goals plans two and three made more sense to him, he felt.

The reve concluded by asking the chairman to keep the meeting in the context of the study.

Chairman Duby replied that the meeting's subject was not just the MTARTS study. Statements on development were deliberately provocative to encourage participation by those in attendance.

Mr. Duby wound the meeting up by emphasizing that the provincial government exercised a great deal of control over development and was seeking a voice. "This is our opportunity," he said, "to let them know how we feel about the future of Acton."

"When they determine what will happen here they'll take our suggestions into account. They won't be able to unless they are available," Mr. Duby concluded.

Representatives of the board were urged to study the questionnaire in the booklets supplied and forward them to CORDC.

HAROLD TOWNSELEY slammed a three run homer against Campbellville Leavers to start Acton All Stars off on the win trail in the first inning. Teammates greet him at the plate. (Staff Photo)

The most difficult part of getting to the top of the ladder is getting through the crowd at the bottom.

um-m-m FLAVOR-CRISP CHICKEN TASTES SO GOOD!!

each piece of piping-hot chicken is invitingly crisp on the outside... full of juicy mouth-watering flavor on the inside. That's why we call it FLAVOR-CRISP. It's deep fried under pressure so all of the natural goodness of the chicken is sealed in rather than cooked out.

CHICKEN SNACK
