**Won't sell club land**

A request for land adjacent to Halton Centennial Manor in Milton for a Senior Citizen housing project, has been rejected by Halton County Council.

The Rotary Club of Milton has been negotiating with the Halton Manor Board of Management for a strip of land on the north side of the county property on Ontario St. Although the Board approved the project in principle, the county's property and office administration committee recommended rejection in a report adopted by County Council last week.
