Robert Little comes close in mock town elections

Following tradition, both the high school and Robert Little school held mock elections on Monday with the public school students coming closer to the actual results.

Robert Little gave Les Doby 95, Bert Hinton 26 and Bob Drinkwater 19, which turned out to be approximately the percentages each received in real election. High school students on the other hand, gave Doby a clean sweeping victory with 316 votes over Drinkwater with 69 and Hinton with 46.

For council, Robert Little was again correct in their choice of winners, although they had them

picked in the wrong order. Pat McKenzie topped their poll with 118, followed by Masales 109, Marks 108, Coates 88, Chapman 83, Greer 79, Williams 73, and Bishop 69.

The high school gave top spot to their best known candidate Bill Coates with 329, followed by McKenzie at 272, Masales 244, Marks 235, Bishop 172, Chapman 160, Williams 144, and Greer 99.

Tom Watson won school board in both elections. The high school gave him 187 to Horace Blyth's 161, and Murray Smith's 61. Robert Little gave Watson 95, Smith 29 and Blyth 13.
