Is a Safety Checked Vehicle Sufficient to Give You The Motorist, Complete Satisfaction?

WE
At Milton Motor Sales believe there is a great deal more, and these are a few of the reasons we are able to give a Money Back Guarantee to Every Customer

- 1 The motor must be thoroughly examined by our factory trained technicians for excessive use of oil.
- 2 A compression test is taken, valves are ground if necessary, worn parts replaced when required.
- 3 The vehicle is road tested at various speeds, in the event that the transmission or differential is faulty or needs adjustment.
- 4 Carburetor and spark plugs are inspected and renewed when necessary.
- 5 The electrical system is checked on our electronic scope to ensure fast starts in cold weather and the dependability that you deserve all year round.
- 6 We guarantee front end alignment for 30 days. The new car manufacturer will not do this!
- 7 A four month replacement guarantee on the battery.
- 8 Conventional tires switched to snows if required for safe winter driving
