Chariot Race: Only three chariots materialized for the race on Saturday morning and therefore it was less exciting than it might have been.

The first prize float was entered by 11A with the theme 'THEN AND NOW'. In the 'Then' half were singing girls, square dancing and strumming guitars. For 'NOW', students danced to transistor radios among giant paper flowers. Seated in a rocking chair and bundled in blankets was form teacher Mrs. Reed (a grandmother herself), who was delighted to be located in the 'NOW' half. There are only six boys in the class. They were torch bearers.

There were several other excellent entries including 'SNOW FUN' by 11D featuring a snowmobile and evergreens. The 12B float had a class band and girls in costumes.
