**"WHERE THE CUSTOMER IS BOSS"**

**HILDA'S COLUMN**

Have you noticed all the smiling faces around your Loblaws store lately? My mother has, and says the fact that Loblaws' customers are happier these days is because Loblaws' employees are friendlier than ever.

Judging from the number of friendly people I have met, and the number of letters complimenting us about our staff, I'd say my mother is right!

P.S. If you have a suggestion for us, please take a minute to write me. It helps us make Loblaws the best shopping place in town.
