Belmont noses Kents from tourney series

Belmont knocked Acton Kents out of the running in the Brampton Novice hockey tournament Saturday with a narrow 4-3 win in the two game total-goal round.

First game of the set was a 2-2 deadlock but the Belmont team shaded Acton 2-1 in the afternoon to take the series. They were later knocked out, too.

Ford Alton put Kents in front at the 58 second mark of the first game on a pass from John Scoyne.

Kents made it 2-0 when John Scoyne scored at the nine minute mark of the second.

Dave Murray put Belmont back in the game early in the

third period and got another late in the period to tie the score.

The second game saw the Acton team play shorthanded almost the entire contest as officials handed out many penalties. Kents seemed to get the raw end of the deal on most occasions.

Ricky Holmes bagged the lone goal for Kents late in the third period.

Acton—Robin Incoe goal, Joe Kentner (A), John McCutcheon, Scott Oakley, Jim Hurley, Marvin McNabb, Ford Alton, Mike Ware, Bill Ware, Ricky Holmes (C), Jeff Shields, Scott Withers (A), Norm Thornhill, Brett Legate, John Scoyne, John Schuts.

MIXED EUCRE Saturday was a breeze for Phyllis Angell with a 62 good for three steaks. Sandra Andrews won two steaks with a 59 and Maudie Chisholm's 39 was good for the hidden score bacon bonus.

Ray Agnew took the triple steak offering for men with a 67, Frank Winter got a pair with 63 and Harvey Palmer brought home the bacon with a 37 for the hidden score.

MEN'S EUCRE Friday night saw Harry Moon and Cliff Wedge with identical scores of 62 take home steaks. Howard Frank's 61 also won him a steak from the eight table competition.

All teams will compete in the playoffs starting this Thursday and running for three weeks.

Teams one and two compete for the Molson trophy, three and four for the Mason Knit trophy, five and six for the I.G.A. trophy, seven and eight for the Goy trophy and nine and ten for the Legion trophy. Count is total peg points only.

Council authorized Alf Duby, the town works superintendent, to attend his second year of a course at the University of Guelph arranged by the Ontario Good Roads Association from May 11 to 14. His registration and expenses will be charged the road account with the province paying the usual 50 per cent subsidy.

Mr. Duby was also officially named the weed inspector for the town, following a request from the Department of Agriculture and Food. No extra pay is involved—“maybe just an extra plaque for his desk,” quipped one councillor.

Permission was granted for Trinity United Church Young People to hold their Easter sunrise service at the reservoir on Churchill Rd. N.

A letter from the Department of Municipal Affairs informed council that the province will assume responsibility for assessing at the beginning of 1970. Assessing staff will become employees of the provincial government.

Council agreed, in a separate item, to host the county assessors meeting this April, in its regular turn. However, this will be the last meeting Acton will be called upon to host, due to the changes in the system.

R. R. Parker attended a committee meeting to review final plans for the widening of the corner of Mill St. and Park Ave., the minutes indicated. The committee and Mr. Parker came to full agreement with the proposed design. A meeting with Beardmore officials, Mr. Parker and the town will be held to draw up agreements for the transfer of land.

Mr. Scheidhauer contended the airstrip would help develop the township, prevent the mistakes of other townships which built residential housing only. The airstrip would also attract factories, shopping centres and recreation areas as well as other modern amenities.

There were three minor car accidents investigated by the O.P.P. last Friday and Saturday.
