

HILDA'S COLUMN

There is nothing more satisfying to a Loblaw manager than the feeling he gets when a hard-to-please customer gives him a compliment.

He knows that he does his best to please every customer who shops in his store, but when a shopper takes the time to write me about the excellent service she is getting at Loblaws—that makes the manager, his staff, the president and everyone at Loblaws feel 10 feet tall. And it happens every day!

Hilda Wilson

P.S. We also feel pretty good when even we get to the bottom of a customer's "beef" and correct the situation so it never happens again.
