INDUSTRIAL-COMMERCIAL

May 4: Like St. Louis after the Montreal Canadiens got through with them, the Beardmore's are singing the blues. It was a fired up hot rolling John's Texaco Service team that put an end to Beardmore's hopes of being Industrial-Commercial champs. The "Texans", last seasons champs, left no doubt about being champs twice in a row. They took command in the first game with a 1215 pinfall paced by Charlie Auger's 326 as against Beardmore's 1043. They came right back in the second game with 1212 while Beardmore's were floundering 1006. Got rather a habit when the "Texans" came home with 1244 in the third. Beardmore's 940 effort left them far behind in the total pinfall. The "Texans" eased off in the fourth game but their 1155 count was still head and shoulders (sounds like a T.V. commercial) above Beardmore's 931. The fifth and final game was Beardmore's best, 1095, but the "Texans" were still a shade better with 1098. The final score, John's Texaco Service 5924 and Beardmore Co. 5017 had the "Texans" singing "happy days are here again". To sum it up in a capsule comment, the "Texans" outshouted and out-bowled the Beardmore's.

BLUE SPRINGS NURSERY

May 6: It's the Roses, "winners and champions". Going into the last three games of a six game block, total pins to count, it was Roses who, to start were nine pins behind the Daisies. Roses quickly wiped this out and took the lead by 11 pins added to their lead in the fifth game to have an eighty pin lead and although the Daisies came up with a big effort in the final game, Roses came out best with a total pinfall of 4591 as against Daisies' 4550. The Casey who on the strength of their fifth game moved up into contention fell off the pace badly in the final game and had to settle for third place with a pinfall of 4518. The Crocus fell down in the final three game block for a total of 4373. The "consolation roll" between Lilacs and Orchids was a close one. After the first three games, Orchids had it with a pinfall of 1937 as against Lilacs 1888. Lilacs chucked into this in the fourth game when they edged out Orchids by eight pins. Orchids came back in the fifth game with a 43 pin win and the total pinfall stood at Orchids 3469, Lilacs 3405. Came the sixth and final game and Lilacs swung into high gear and cloberbed Orchids by 107 pins and grabbed the win by 23 pins. Final pinfall being, Lilacs 4229, Orchids 4206. While all the girls gave it the old college try, top individual scores were rolled by Burna White 617, Wannetta Smith 616 and Sylvia Mages 614 for triples and Ellie Karn 208, Barb Ferguson 264, Sherry Morris 222, Filcen Taylor 225, Joyce Adams 213, Verna Tatton 235 and JoAnn Immerzon 223 for singles.

HILARITY HILITS

It's on to Oshawa and the O'Keefe Bowler of the Month finals for Ray Milton and Mike Churchill. Rolling in the Zone finals at Guelph, Ray was top man in the first division and Mike headed up the third division. All the Acton bowlers did well in this zone finals. In the second division, Murray Baleman (Mr. and Mrs. League) came second losing out by 19 pins. In the third division, won by Mike Churchill of the Beardmore League, Tom Shannon also of the Beardmore league lost out second place by one pin. In the fifth division, Pete Homer (Major League) came second. Pete lost out by 17 pins. A headpin in the last frame of the last game being his undoing. Don Harris, also of the Major League, after a bad start put on a whirlwind finish to finish fifth in this group. Congratulations to Ray and Mike and may you cop the big one at Oshawa to the point of being respectful we again point out the banquet dates of the Youth Bowling Council. The Banquet's banquet is at the Knox Church, May 24 and the Juniors and Seniors at St. Alban's parish hall so for this season this is the last column by yours truly. As usual it's been a lot of fun, good bowling and in most cases, good close competition. Sure, you have the odd gripe and complaint so what? When I hear someone griping about their league or the way the executives are doing things I'm always reminded of

what my old boss, Jimmy "the Greek" Ivals told me when I first broke into major league bowling many long years ago. He said, "Ken, we have an unwritten rule in this league. If you can't boost your league, keep your mouth shut, don't knock it". This delivered in Jimmy's broken English, was something I never forgot and to those who feel like griping you might just give it a thought before you heef. In conclusion, we thank all the league executive for their co-operation during the season, working with you has been a pleasure and so until next season my friends, adios amigos, have a good summer and goodnight Canterbury Village.

Walkers raise \$5,500 for O.S.D. athletes

Over 300 walkers from Acton joined 100 from Milton and area to raise close to \$5,500 last Saturday. The money is to be used to help send four outstanding young athletes from the Ontario School for the Deaf in Milton to the Deaf Olympics in Yugoslavia this summer.

A tired 201 completed the 32-mile course down the highway to Milton, across to Hornby over to Silver Creek and

back to Acton. First to make town limits after completing the full route were Chris Schuts, Bernie Taylor and Larry Quinn. Chris and Bernie also finished first last year in the Robert Little walk for the Red Cross.

The walkathon was organized by the Halton and Peel Association for the Hearing Handicapped. Two Milton O.P.F. cars, seven private patrol cars, and two St. John's Ambulance trucks followed the route.

The walkers themselves came in all shapes and sizes. Among the youngest were John Shafi, age two, who earned \$10.00 for a one mile hike, and Donald Bousfield, six, who kept going for 10 miles.

Following the success of the walk, Linda Russell 15, Bill Whyte, Greg Crockett, and Mike Smith are expected to represent OSD in Yugoslavia.

Three runaways located here

Last Tuesday three Guelph boys who had run away from home were located here on Churchill Rd. Their deception had been circulated to other police departments, and Cons. Roy Wood recognized them.

RESULTS of the Friday night men's euchre was a tie for first between Andy Nolan and Jack Lanthier, each with a 62. They cut the cards and Andy got the nod and the most steaks. Frank Winters carded a 59 to take third. John Higgins scored a 43 which was good enough for the hidden score prize—bologna.

Friday's euchre was the last for this season and the league hopes to see everyone back next fall when the games resume.

MIXED EUCHE Saturday night saw Phillis Angell take the top spot and steaks with a 62. Joan Taylor carded a 60 and Doris Eyer a 61 to take the runners-up steaks. Mrs. Allan took home the bacon with a 42. The men's euchre saw D.L. Skidmore score a 62 to top the class. Bill Nicolak scored a 61

for the other steaks. Brian MacDonald and Maurice Conway cut the cards for the bacon, both with a 42. Brian won.

SICK BAY: Gordon James at home in a cast. Mrs. Kay James home in a cast. Mrs. Peg Louttet home in a cast.

THE EXECUTIVE of the Acton Minor Soccer League has been informed there are false rumors circulating that the charge for registration is seven dollars. This is incorrect. For parents interested in having their boy play soccer, there will be another registration next Saturday May 17, at 10 a.m. at the high school.
