

# Minor soccer

**PEE WEB**  
 Acton 4-Streetville 0  
 Acton Pee Wees chalked up the first of two victories last week, when they whitewashed Streetville 4-0 Saturday morning.  
 Chris Tennant scored the only goal of the first half to give Acton a 1-0 lead.  
 Acton dominated play in the second half as well. Chris Tennant picked up his second goal of the game and Peter Pavli and Jim Gentles also scored, to make the final score 4-0.  
 The Acton boys were very sharp in this game and it was only outstanding goalkeeping on the part of the Streetville goalie that prevented the score from going higher.  
 Coach Harry Foley was very pleased with his team's performance.

with only five minutes left to play, Steve Brunelle scored the winning goal on a pass from Paul Daley.  
 Milton applied the pressure after that, but were unable to beat Terry Holmes in the Acton nets.  
 Acton Lineup: J. Lynch, T. Holmes, F. Houston, B. McGiloway, B. Gentles, T. Hill, S. Somerville, J. Gentles, M. Turnbull, C. Tennant, P. Pavli, P. Daley, S. Brunelle.

## 30 gals at first workout

Charlie Thompson reports that 30 girls between the ages of 10 and 15 turned out for the first softball practice on Monday night.

Next practice is Friday night at the park at 6:30. Any other Junior or Senior girls who are interested in playing are asked to be there and to bring their gloves with them.

Charlie also reports that he needs coaches and umpires very badly. Anyone who would like to help out is asked to be at the park Friday at 6:30, as well.

Sunday afternoon, in the rain, the Pee Wees made it two wins in two days, when they shut out Milton 1-0.  
 Because of the slippery condition of the field, both teams had trouble keeping their footing. There was no scoring in the first half, although Acton missed several good chances.  
 Play moved quickly from end to end in the second half, until

## Notes and Quotes

from the world of sport

By Denis Gibbons

Acton Indumlin Juveniles, under coach Howard Dwyer will face their toughest test of the season, to date, when they host St. Catharines at the arena, this Friday at 8:30.

Unfortunately, they will be without the services of their leading scorer Bob Turkocz. Bob was slashed on the foot in last Friday's game with Brantford and suffered tendon damage that will sideline him for two weeks. Bob has been enjoying a fine season, so far, with 11 goals in four games and will be sorely missed.

Stu McCulloch received an injury and Fred Filnik suffered a slight charley horse in Friday's game as well but both should be in uniform for this Friday's big game.

The Juvies are off to a flying start with three wins in four starts, which have put them in first place in the six-team loop.

Last year, they gave up 41 goals in their first two games, losing 13-7 to Fergus and 28-7 to St. Catharines.

This year their defense has tightened up considerably and after four games, the opposition has managed to beat Indumlin goalies Gary Turkocz and Mike Cooper only 29 times.

Cooper has a goals against average of 8.00, while Turkocz is presently sporting a nifty 6.50 average. A goals against average of 7.00 is considered excellent in lacrosse.

Coach Dwyer has been teaching the boys a fast, running style of play, that is a real treat to watch, and one which it is very hard to criticize in view of the team's performance.

St. Catharines have won all three of their games quite handily and are currently holding down second place, which of course means that the winner of this Friday night's game takes over sole possession of first.

## CHURCHILL

# Bus trip to Niagara Falls Father's Day visits in news

By Mrs. Fred MacArthur  
 Mr. and Mrs. Don Anderson spent a couple of days at the cottage at Fenelon Falls. While there they visited their aunt and uncle Mr. and Mrs. Vanatter.  
 Everyone will be pleased to hear Mr. Leslie Swackhamer returned home on Saturday from Geulph General Hospital where he had been getting treatment.

Mr. and Mrs. Norman Turner, David and Juliann, spent Father's day with Mr. and Mrs. J. J. Julian in Brampton, also others of the family.

Last Wednesday Mrs. Ward Hamilton enjoyed a trip to Niagara Falls with the Brisbane School grades 5 and 8 scholars and their teachers Mr. Donaldson and Mr. Adnan and some of their mothers.

Their first stop was at Queenston and Brock

monument and after lunching in the park the bus proceeded to Niagara and the Whirlpool where many cross the gorge on the Spanish serocar. Next stop was at Sir Adam Beck Niagara Generating Station. There they saw a film of the surrounding countryside and the construction and operation of the Hydro Station, the Wax Museum, the Ripley museum, miniature display and the Hydro Hall of Memory dedicated to Hydro pioneers of Ontario. An interesting notation was the fact the first two miles of light translated on copperwire were put into service by Mr. John Barber of Georgetown, grandfather of Mr. Keith Barber who often plays in Churchill Community Church Orchestra. After visiting the wax, Ripley and antique car museums they toured Canada, the world's largest miniatrums including

authentic reproductions 1/2" to the foot of Indian villages, castles, bridges, canals, historis and modern buildings.  
 After having supper at the Canadian they journeyed home after a complete and very pleasant day.

Mr. Smith E. Griffin visited one day last week with his niece and nephew Mr. and Mrs. Fred MacArthur.

Mr. and Mrs. Robert Kerr visited on Sunday with Pat's sister Mr. and Mrs. Grant Downs and family of Sunderland.

Mr. and Mrs. Arthur Griffin, Mrs. Trevis Keeler and Mr. William McArthur, all of Erin, also Mr. and Mrs. R. L. Davidson visited on Sunday at the home of Mr. and Mrs. William H. Thompson for Father's Day, also Mrs. Davidson's birthday. Miss Jean Volken of Holland, Michigan, is spending two weeks

## Protest blind corner.

A delegation of residents approached Esqueuing council Monday night for improvements in what they consider a dangerous blind corner at the intersection of the Third Line south, and Given Road.

Mrs. Jerry Skirrow and Mr. and Mrs. Charlie Barber reminded Council of a bad accident on the corner two weeks ago. They felt the road was too narrow, the hill too steep, and the banks of the road too high.

Commented Mrs. Barber, "I'm the first aid clinic they come to when they have an accident." "I admit the intersection is extremely dangerous," commented Reeve Currie and he promised to have the township road superintendent look into it.

## Curling Cues

The executive of the Acton Curling Club held a meeting last Tuesday to discuss plans for their new building. Twelve members were present.

The building and finance committee reported that they have arranged for a contractor and that they will finalize plans shortly.

A full report will be given at the dance, this Friday night at the band hall. The executive are hoping for a large turnout.
