As we approach the midway point of the Halton-Peel Minor Soccer season, our summary follows:

entries are all heading their respective divisions. If the boys can maintain this momentum, there could be a few surprises at the end of the season. The Halton-Peel closes now, until mid-August, when the second half of the schedule will begin.

As an added incentive, Acton teams have been entered in Ontario Cup Competition. The mosquitoes were eliminated in Toronto, but the atoms and pee wees qualified for the second round. On Sunday July 20 at 1:00, the pee wees take on Hamilton Optimists, and the atoms play Cedar Heights of Toronto.
