Fergus cops playoff opener

Acton Industrials dropped a 10-6 decision to Fergus, Friday night, in the opening game of their best of three juvenile "A" lacrosse semi-final.
Erratic shooting, plus some outstanding goaltending by Fergus' netminder Driscoll proved to be Acton's downfall.
Bob Turkosz scored for Acton after just 50 seconds of the first period had been played.
Fergus jumped in front on goals by Jim Cushing at 4:05 and Brian Walker at 6:30 before Fred Filnik netted an unassisted goal at 16:20 to tie the score 2-2.
Acton had several other good scoring opportunities in the first period, but Driscoll stopped them all.
The locals ran into a rash of penalties in the second period and Fergus took advantage of them to rattle in four goals. Brian Walker fired two and Randy Graham and Steve Gerrie each fired one.
Gary Kelly finally scored on a bounce shot for Acton at the 19 minute mark on passes from Stu McCulloch and goalie Gary Turkosz to narrow the Fergus margin to 6-3 at the end of the second period.
Bob Waller scored Acton's fourth goal at 6:40 of the third stanza and for a while it looked like they were going to pull a win out of the fire.
But Fergus came back to increase their lead to 8-4 on goals by Jim Cushing and Wayne Dow.
Gary Kelly scored his second of the night for Acton at 12:16 before the home town Thistles added their final two goals from the sticks of Ted Boone and Brian Walker.

Stewart grabs lead on 21st lap speeds to eighth feature win

By Vivian Shaw
Acton, Aug. 24—It sure was a lovely afternoon for racing with lots of cars on hand. They put on a terrific show for the many spectators.
Our late model feature today saw some fine driving. Art Somerville in No. 48 led for 2 laps while Jerry Roux in No. 6 started in ninth place, took over and led for the next eight laps. On the ninth lap there was a start when Steve Plotto spun between 3 and 4 turns but no damage was done. Lawrence Majury in No. 5 took the lead on the 12th lap and was able to hold the lead for the next 10 laps. Finally, on the 21st lap Ed Stewart in No. 1 was able to get past Majury, and take the lead and another feature. This makes it eight features this season for Ed Stewart. Al Peterson took second spot, while Murray Tustin held down third spot. Lawrence Majury was disqualified for blocking.
Our mini stocks feature was run off very smoothly. Ken Daniels in No. 85 drove the complete race with a low tire on the left back, but he was not able to get first. Doug Sutton in No. 47 took another feature, while Ken Daniels in No. 85 took second spot and Jim Dunham third.
Our consie today had lots of action. Starting in scratch position Eddy Stewart came through to take the checkered flag. On the sixth lap Jim Maxwell in No. 23 did a complete roll over and landed on his roof. The car was a complete wreck but the driver climbed out and walked away unhurt.
The powder puff drivers put on a good race today with Bernice Majury starting in fourth place, taking the lead on the first lap and driving to hold the lead the entire race and take the checkered flag. It was her first win. Betty Sauven in No. 28 took second with Darlene Eaton third.
Our demo boys put on a good "crash and bang 'em" show with Murray Eyrle of Ballinfad winning in a 52 chev.

Tanners to play in O.H.A. again

Acton Tanners will definitely be entered in the O.H.A. Intermediate B hockey race again this year, an executive meeting decided last week.
The club faces many problems again this season but the executive has decided they would be doing a disservice to hockey in Acton if they let the team drop because of one lean year.
Big problem for the Tanners again this season will likely be the lack of players of intermediate calibre who are able to make most of the games.
The executive has decided to run a dance on Fall Fair night at the music centre to start the season going. Tickets are available from members of the executive for the dance.
Anyone interested in playing intermediate hockey this season can get in touch with Tanager president Jack Marshall or any member of the executive.
