

# Thrills and spills feature Sunday's speedway action

By Vivian Shaw  
It was a rough day for cars at Acton-Opspring speedway Sunday afternoon. Before the races even started, number 29 spun and ran into the retaining wall, smashing his radiator. However, he was able to have his car repaired in time to qualify for the feature. Bruce Bailey also blew his rear end in the warm ups but was able to get ready in time for the feature.

The mini stox feature had plenty of thrills and spills. On the third lap Ken Shaw spun and three cars ran into him. All were able to continue. The rest of the race went off very smoothly with Rick Stevens taking the checkered flag. Bob Awde finished second and Ken Daniels third.

After crossing the finish line, Bob Awde went over the end and rolled four times. The car was a total wreck, but Bob walked away unhurt.

Results of the races follow:  
1st heat - Barry Cleland, Tony Pfitto, Lawrence Majeury.  
2nd heat - Al Peterson, Lawrence Majeury, Stan Adams.  
3rd heat - Ken Daniels, Rick Stevens, Harvey Cooper.

**HEADLIN HILITES**  
Bowling season has only just started and already two of the legends are looking ahead to retirement. Caroline Garden Centre has been the site of a "feast and fun" night for April 25 at the Legion Hall. Not to be outdone, the Sports Council league will be put on the "bits and bobs" at the Band Hill May 2. As the O.K. League Award program starts this month, October, House Counselor Eddie Middleton urged all league members to fill out the application for their league bowlers for C.O.B.A. membership. It is little early in the season to be looking out the bouquet but we cannot help but admit the way the league executive is handling their early season program. Especially the ones who are new to their duties. They are taking hold in real time style and one cannot but foresee a fine season of bowling and fun. Orbits also to the league that starts on time, makes for a much better running schedule and the leagues on the 9 p.m. shift are duly appreciative of not being held up - that winds it up once again my friends and colleagues. Goodnight Concord City.

Walter Dubois, chairman of the draw committee, has been trying to organize the first draw, but is having difficulty on account of the lack of applications. He is attempting to arrange draws to suit the majority of the curlers. His committee will also be active arranging invitational bonspiels for 1970.  
Harry Otterbein and Rev. Andrew McKenzie organized a work crew last Friday, October 3, to pick up some lumber necessary for the ice surface floor. They now need a work crew for Saturday, October 11 at 9 a.m. to help place this material and prepare the ice surface floor to accept the plastic pipe. This is on a voluntary basis and it is very important that any who can offer a few hours labor for the benefit of the club, do so.

**THE POLICE** had a reasonably good week, with fewer incidents to report. Maybe the cooler weather makes a difference.  
P. L. ROBERTSON Manufacturing Co. of Milton had moved their head office and staff to Rexdale, but this week they all moved back to Milton again.

# Curling Cuos

The Curling Club held an executive meeting, Tuesday, September 30, at the office of Tyler Transport. There was practically a 100% attendance including May Dunsmuir and Eleanor Goy representing the ladies.  
Building program committee chairman Johnny Goy reported that progress on the building structure is just about on schedule. Johnny Goy and Jack Ridley have been shopping for large panes of insulated glass to be installed between the ice surface and the lounge and were happy to report that they were able to purchase enough glass for about half the normal cost.  
The contract for the installation of plumbing has been let to an Acton firm and work is now well under way.  
Ted Tyler Sr. reported that practically all hydro material has been ordered and that he and Mel Jordan are organizing a volunteer group to install wiring, light fixtures and all necessary electrical equipment.  
On behalf of the social committee, Mel Jordan reported that a fall dance has been planned for Saturday evening, October 25 at the Legion Auditorium. Tickets will soon be available and everyone will be contacted by a phone committee organized by the ladies group.  
Membership committee chairman Bill Toth reported he had received only 16 applications by September 30, which was rather disappointing. However, on October 6, 65 applications were turned in. This is a little more encouraging but still a long way from the club's objective of 200 by October 15. Any who have not mailed their forms in are asked to please do so as soon as possible. They should be mailed to Bill Toth, or Acton Curling Club, P.O. Box 1042, Acton Ontario. If you
