The 1969-70 Acton Youth Bowling Council's Industrial Commercial League got out to John House who suffered the loss of his father last week. We welcome to the ranks of the bowling spiritiveness. Frankly, Margot Matheson Margot will be reporting on the Youth Council Bowling activities this season. Her first column appears this week. One thing we noticed about Margot, she types with all fingers and not the two-fingered, hunt and peck style yours truly uses. Information is out on the Ontario 5 Pin Bowling Championships sponsored by Cullings 1-4-76 deadline is midnight November 9, 1969, strictly enforced. Don Harris and Pete Homer please note. There will be the usual 25ss note with the winners competing for the Ontario Championships in Perthborough, March 26, 17 and 28, (later weekend) as we go to press Margot did not have this information but the Y.B.C. Master, Mattam Tournament Qualifying round starts this coming Saturday. The small fry have two chances to make it. They compete with the winners competing for the Spiffies, they took all games and then have another chance to beat their scores the following Saturday, October 25th. That winds it up for now my friends, so adios amigos and goodbye Concord City.

STRIKES At Youth Bowling Council
By Margot Matheson
This season I have the honor and responsibility of reporting the activities of Acton's Youth Bowling Council. I realize of course that trying to fill the shoes of my previous press secretary, Julie Palmer, is a big task. However, I'll do my best, so here goes.
Last Saturday in the Banants, who by the way are bowling in two shifts, 9:15 and 11:15 a.m., Motins won both games from Cardinals. Dicks did the same thing to the Wrens and the Sparrows won one game and totals from the Blue Jays.
In the second shift, Parakeets won both games from the Doves while the Crows were growing over their win of one game and totals from the Woodloos.
Things were a little different with the Canaries and the Pigeons. Canaries won the first game but the Crows were growing over their win of one game and totals from the Woodloos.
The "Ten Toppers" for the morning's bowling were Danny Thompson 166-128 (314), Brad Martin 169-116 (305), Ronnie Burkay 141-127 (268), Jimmy Huxley 141-119 (260), Debbie Brown 102-55 (257), Ricky Van Fleet 110-120 (230), David Dunn 83-116 (246), Michael Krash 131-111 (244), Valerie Bateman 128-111 (241) and for the last and tenth spot we had a tie, Maria Pataky 118-116 (216) and Tully Couture 116-119 (216).
Bowling best over their averages to be the Cokes and Pepps were Brad Martin, Susie Pataky, Igan Robinson and Terry Ross. The most consistent bowlers turned up in two newcomers, Marie Pataky, who bowled both games of 118, and Jim Pink with two games of 46.
First Shift: Sparrows 5, Blue Jays 4, Wrens 3, Orioles 3, Robins 3, Cardinals 0.
Second Shift: Parakeets 5, Swallows 4, Crows 4, Canaries 3, Pigeons 16, Doves 0.

THINKS SO
A faith healer ran into his old friend Max and asked him how things were going.
"Not too good," was the pained reply. "My brother is very sick."
"Nonsense," contradicted the faith healer. "He only thinks he's sick. Remember that, he only thinks he's sick."
Two months later they met again and the healer asked Max how his brother was.
"Worse," groaned Max. "Now he thinks he's dead."
