**STRIKES AT Youth Bowling Council**  
By Margot Matheson  
A word about the "National Y.B.C. Travel and Scholarship Fund Raising Campaign."  
Each year, in November, the National Youth Bowling Council conducts a Fund Raising Campaign to raise funds that are used in three ways. First, the profits are used to produce transportation and meals for all Finalists while they are taking part in the National Youth Bowling Championships. Second, to provide scholarships for deserving Y.B.C. members in each Province. Third, to assist each league by providing funds for shirts, trophies, banquets, tournaments, etc. All members of Youth Bowling Council Leagues are eligible to participate and each member that sells his or her quota of 12 packages receives a Swiss embroidered crest.  
They tell World's Finest Chocolate Continental Almonds, which retail in hotels, clubs, resorts, dining places, and airports, for over Canada, for \$1 per package. The Y.B.C. bowlers also tell this package for \$1, so no donation or contribution is involved. Consequently, all purchasers get full value. The sale of World's Finest Chocolate Continental Almonds is the only campaign conducted by the National Youth Bowling Council to raise the funds required. Now, back to bowling.  
With the Bantams, Sparrows won both games from the Wrens. Robins also took two games from the Blue Jays. Orioles decided to wrap it up by taking both games from the Cardinals.  
In the second shift, Canaries took one game but tied for totals with the Crows. Doves took both games from the Pigeons. Parakeets took one game and totals from the Sunflowers. The "Top Ten" for the morning's bowling were Ronnie Turkous 168-150 (324), Danny Thompson
