**W.I. meeting death in news**

By Mrs. D. G. Robertson  
Mrs. E. Archibald presided at the monthly meeting of the Women's Institute held at the home of Mrs. B. Wingrove. The minutes, financial statement and correspondence were read by Mrs. Stan Fuller.  
An invitation was read to the 4-H Clubs' achievement day, "Featuring fruit" to be held in Erin in December. A cash donation was voted to the John McCrae Birthplace Foundation in Guelph.  
The secretary was asked to order more Institute coffee spoons, as many have expressed their desire for more. Mrs. George Grundy read the scripture.  
The roll call "Why does Canada attract people from other lands?" brought forth many answers; all felt Canada was a land of golden opportunities which provided all with plenty of room for advancement.  
Mrs. C. Storey, public relations officer, gave a splendid report of the various activities of the Women's Institutes at branch, district and area levels. She explained the meaning of

A.C.W.W. (Associated Country Women of the World) and also told of the "Pennies for Friendship Fund" and how they are spent. This was a comprehensive and enlightening report.  
The president reminded all of the Christmas meeting to be held at Mrs. Stan Fuller's, when a good program is being planned. The roll call will be Christmas cookies or candies, which will later be taken to a local nursing home. A gift exchange will also be held.  
Fruit bread and tea were served by the hostess assisted by Mrs. E. Archibald and Miss D. Fines.  
Friends were shocked to learn of the sudden passing of Albert Robinson of Acton on Saturday morning. "Ab" as he was better known, was well-known through the district as he drove the creamery truck for years. Sincere sympathy is extended to his widow and son.  
Mrs. Jerry Klumpenower and two children of Gowanstown spent last week with her mother Mrs. K. Klooster.  
Mrs. K. Klooster is spending a few days with her daughter and

son-in-law Mr. and Mrs. Paul Hurd and children, Orton.  
Mr. Ed Stewart, who owns the local garage, has purchased the former Carney garage in Erin, and is operating at both locations.

On Friday evening a very happy gathering was held at Ballinad Community Hall in honor of Miss Linda Rotz' forthcoming wedding. A skit was put on by Pat Swindlehurst,

Donna Andrea, and Susie Cislak and an address read by Mrs. Heather Rotz and a shower of beautiful gifts were presented. Linda thanked everyone then lunch was served to bring a close to a happy evening.

**U.C.W., service in week's news**

By Mrs. Ron McLean  
Ebenezer U.C.W. made final plans for their turkey supper to be held Tues. evening, Nov. 18, from 5.30 to 7.30. Everyone welcome! Mrs. H. Blyth and Mrs. Keith Anderson, the conveners, had a good program, with views of Hong Kong. The lunch committee, Mrs. D. deBlauw, Mrs. Joe Ferrer and Mrs. H. Heist served a grand lunch.  
Mr. Finley's remembrance remarks told of the memory of war still being fresh in the memory of many. It was necessary to bring and end to the madness of Hitler. Nobody wins in a war. When we pause to remember, there should be no bitterness. There will be a continual battle against evil. We not only look at the villain who died in the war, but look at the way evil is conquered. In Hebrews 11 and 12, To conquer the sins, which cling so readily, let us not lose sight of Jesus. One of our social evils is poverty. Hewbrew says, Let us

run with patience the race that is set before us. When we think of social evils, patience is not the best way. The Canadian Indian has every right to be impatient in demanding equality.  
Evil is a power, out to get us. It sees us coming and is ready. Make up your mind not to succumb to the unworthy.  
Nothing, not even the evils of war, will stop God's purpose of drawing all to Him.  
When a Christian is convinced that he's following Jesus, the thought never crosses his mind that he wants "to do his own thing." Those who try to go their own way have a hard time. Join the surge of those who have followed God's plan, "Onward Christian Soldiers."

**Visitor from Jamaica sees, likes first snow**

By Mrs. H. Scott  
The Pro-Teens met last Sat., Nov. 1, at the home of Wendy Hannah for another lesson in meat cookery. This was a delicious meat loaf, beef, veal and pork mixed, flavored with parsley and the girls pronounced it excellent.  
They learned to look for certain points in buying as well as cooking meat from an economic point of view.  
Six members of Silverwood W.I. along with members of other Institutes were invited to a Health and Public Relations meeting in the hall at Ballinad by the Ballinad W.I.  
Slides on accident prevention were shown along with excellent participation by members of visiting groups. The evening closed with tea, coffee and sandwiches.  
Mrs. Nels Bomholt is home again from Guelph Hospital and we hope to stay.  
Silverwood received 1.90" of rain on Nov. 1.  
Mr. Stan Walker has returned

home to Kingston, Jamaica. He has been visiting his brother and family, Mr. and Mrs. Len Walker since September and expressed a desire to see snow. The weather man obliged him in October and Stan says snow is nice!  
This was his first experience with the white stuff. I wonder how a lane 100 feet long to be shovelled would look?

**Deer killed in collision**

Morris Wantol of R.R. 2, Copetown was driving along the Guelph Line, south of 25 Sideroad when a deer darted into the path of his car Sunday morning.  
The car struck the deer, killing it on impact and doing \$200 damage to the front end of Mr. Wantol's car.  
This is the third deer to be struck and killed by an automobile within as many weeks in the North Halton area.
