Headpin Hillies Fough back for Joe "Smitty" Pietrangeli of the Sports Corner league, last Tuesday eve. In the second game "Smitty" ran off nine strikes then had the mistorium to let his tenth ball put away from him and he picked off the left-hand douce. Brill a bit ruttled by this turn, his white his last ball, "Smitty" clossed the dock for 384. A west game indeed but the leonic part was, he started off his last game with a strike. "Iway it

goes, so near and yet so far, that chairs "450" game. In the fifteen years of operating the Acton Lanes we have only had one perfect game. That was rolled by Mrs. Frances Crooks in the Boardmore League, February 5th, 1962-also in the rough luck department was Brian Sheridan, ulso of the Sports Corner league. In his third game, Brian ran off five strikes, punched a 3 pin, spared it, thest ran off five more strikes only to punch the headpin with his last ball and finish up with a 398. So for the space of one game "Smitty" had the Lanes' single game record of the season to date with his 384 and as we go to prest, Brian's 398 is still tops - shelp mel we didn't even get to prou before "Dee" Deforest bowling in the Industrial Commercial lengue crashed a 410 tingle. A spare in the eighth frame was the stopper for 'Dee's' perfect game. And how about Mrs. Fryer's son Jeff, bowling in the same league coming up with a 1019 triple. Slightly forrid bowling, I'd say - the females were no shrinking violets either. Marion Blorey, who is the holtest bowler in the gals' section this wester, came up with un \$17 triple which contained a 353 stagle. Noth these scores we new records for the "Lanes" this mason - that winds It up once ugain my friendlier, so adios, amigos, and poodaits, Concord
