Reform Meeting.

To the Editor of the Herald

DEAR SIR,

The Reform meeting held in Limey school house on Saturday last, was a complete fizzle. There were 15 present, all told, and only 9 voters. This is encouraging to us considering that the Scotch Block were one of Mr. White's strong holds. It seems to go hard with John notwithstanding the big Blast that is made in his favor.

At another Reform meeting in Nelson, we hear the trustees would not allow the school house to be used for furthering the political ends of John White the annexationist and Fenian sympathizer.

Every where the political sentiment of the County is being renovated. Mr. Chisholm is every day gaining ground, and why should he not? is he not the defender of our native soil—our happy and beloved homes.

Electors of Halton, Chisholm is the people's candidate, the farmers and mechanics friend, the advocate of liberty the perpetuation of British liberty and British institutions. Did not White sympathise with that Fenian who invaded our land? and did not Col. Chisholm face the invading foe on the battle field?

I am,
Yours truly,
A BRITISH CANADIAN.
