

(Continued from page 1.)  
The subject of spiritualism has been a subject of much interest and discussion in the past few years. It is a subject which has attracted the attention of many minds, and has become a popular topic of conversation. The subject is one which has been discussed in many different ways, and has given rise to many different theories and opinions. It is a subject which has been discussed in many different ways, and has given rise to many different theories and opinions. It is a subject which has been discussed in many different ways, and has given rise to many different theories and opinions.

A gentleman in the audience appeared much interested in the discussion, and forwardly asked to know if his school mother, who was a medium in preference to him, had ever seen the spirit of his mother. The gentleman, who was a medium in preference to him, had ever seen the spirit of his mother. The gentleman, who was a medium in preference to him, had ever seen the spirit of his mother. The gentleman, who was a medium in preference to him, had ever seen the spirit of his mother.
