Paine's Celery Compound

The Marvellous Spring Medicine Banishes Long Standing Dyspepsia and Stomach Troubles.

Do not allow dyspepsia, indigestion and stomach troubles to continue their body destroying work as you enter the glad springtime. While nature is arousing from her winter slumber of death and putting on a brighter and more cheerful garb, while the birds, the rivers and the flowers are all singing their songs of welcome to a new life, you should not and woman endeavor to eat of the fetters of disease and put on new life that enable them to appreciate the joys and beauties of a new-born season.

The great spring sanatorium and liberator from common diseases of life is Paine's Celery Compound. Tested for years by the ablest physicians and always triumphant in overcoming sickness. It is gladly recommended by the great majority of medical men from day to day.

Mr. John MacKenzie, Justice of the Peace, and Clerk of the Township Saragwag, Ont., says: "You will think me a grateful in no manner acknowledging to you my entire cure of dyspepsia through the use of Paine's Celery Compound; but when I tell you that I suffered all the tortures of dyspepsia for five years, and during that time having taken most of the great remedies advertised as the only cure for the trouble, I am compelled to state that I am now well, I am determined to be cured before I would be satisfied. Some of the great remedies would give me a little relief while I was taking them, but as soon as I stopped them I was as bad as ever."

When I commenced taking Paine's Celery Compound I fully expected the same results, as my confidence in all medicine was shaken; but from the first dose of the compound I felt better, and after taking two bottles I thought I was completely cured, but to make the cure certain I took four bottles more. It is now over two years since I took the first dose, and I have had the least symptoms of the disease in any way. I can from my own blessed experience, recommend Paine's Celery Compound as a sure cure and a very pleasant medicine to take.

Judge—Have you formed any prejudice against the prisoner? Joyman—I have some newspaper pictures of him. Judge—You are excited.

Edith—What on earth made you break off the engagement? I thought you were awfully in love with him. Maude—I was, but Rover couldn't bear him.

Women Know Better Than Men.

In the management of the country home dairy and the making of butter, women know better than men how the work should be conducted to pay. Women who make the gilt edged butter, know that Wells Richardson & Co.'s "Improved Butter Color" is the safest and best to use, and always buy the kind that has no mud or impurities—the kind that gives the true June tint that never fades.

"Cleanliness is next to Godliness." Dirt and depravity go hand in hand. This is just as true of the inside of the body as the outside. Constipation clogs the body and clouds the mind. Constipation means that corruption is breeding in the body, poisoning the blood with its foul emanations, befogging the brain with its tainted exhalations. Constipation is the beginning of more diseases than perhaps any other single disorder. The consequences of constipation are: Headache, pain in the side, shortness of breath, undue fullness after eating, coldness of the extremities, nervousness, indigestion, lassitude, dizziness, sleeplessness, flatulence, and a score of other ailments are directly caused by constipation. Our constipation and you cure it with the most reliable and safe medicine ever discovered. The quickest cure of this evil is obtained by the use of Dr. Pierce's Pleasant Pellets. They are small in size but wonderful in result. They cure permanently. They contain no injurious ingredients. The use of them does not break the pill habit. Ask your druggist for them.

Send 81 one-cent stamps, the expense of mailing and return and receive Dr. Pierce's Common Sense Medical Adviser, in paper covers. This work contains 1000 pages and 700 illustrations. For 50 stamps it can be had in substantial cloth binding. Address Dr. J. V. Pierce, Buffalo, N. Y.

Burdock Blood Bitters

Turns Bad Blood into Rich Red Blood.

This spring you will need something to take away that tired, listless feeling brought on by the system being clogged with impurities which have accumulated during the winter.

Burdock Blood Bitters is the remedy you require. It has no equal as a spring medicine. It has been used by thousands for a quarter of a century with unequalled success.

HERE IS PROOF.

Mrs. J. T. Skins of Shigawake, Ont., writes: "I have used Burdock Blood Bitters as a spring medicine for the past four years and don't think there is its equal. When I feel drowsy, tired and have no desire to eat I get a bottle of B.B.B. It purifies the blood and builds up the constitution better than any other remedy."
