HOW IT WORKS.

REGARDING the prohibition question as it now presents itself for the consideration of the Ontario Government, Toronto Saturday Night says: Everybody knows that Mr. Ross is himself a prohibitionist and willing to go as far as anyone could desire in that direction. But he has always been restrained by his party and by those ponderous circumstances which block the way—and which will, no doubt, continue to block it. Rumor credits the Premier with urging on the cabinet a measure abolishing all bars and confining the sale of liquor to shops to be owned and controlled by the Government. He is represented as adhering to his views against a majority of his followers. The possibilities of the situation are curious. Should he succeed in getting his bill through the caucus, he will certainly lose some of his supporters when the measure is voted on in the House. How many Conservative votes he would get I do not know. Perhaps three or four, but if the vote were so close that three or four Conservative prohibitionists in the Legislature were compelled to choose whether they would vote out Mr. Ross or the liquor traffic, it is pretty safe betting that they would choose to endure the traffic a little longer. If the Premier goes on with his measure he will lose more support in the House than he can win over from the other side. If he goes on he goes to defeat. If he were beaten in a vote in the Legislature on such a measure, he would probably be granted the right to appeal to the country, although this is a point the Lieutenant-Governor would have to decide. If he appealed to the country on this question, the Liberal party would be split down the middle and I think Mr. Ross and his prohibitionist bill would be beaten. Prohibition would split the Liberal party, and politics would split the Prohibition party. Temperance men on the Conservative side would not be going to the polls in that calm and highly moral state of mind that distinguished them at the time of the plebiscite or the referendum. Temperance men in the Liberal party would work hard, their politics intensifying their zeal, but their zeal estranging many others who are not temperance men.

MOUNTAIN VIEW.

The Mountain View Comedy Company enjoyed an oyster supper on March 9th, at the home of Mr. Fred Thompson. They were favored with an exceptionally fine night and guests were present from Acton, Ballinafad and Georgetown. Not withstanding the scarcity of oysters plenty were provided, and after ample justice was done to them and the other good things, the evening was spent in games, music and dancing.

Catarrh of the Head

is very common, but awfully dangerous because it causes deafness and leads to consumption. Cure it as certain to follow the use of Catarrhozone as day is to follow night. You simply breathe the fragrant healing Catarrhozone which spreads through the nasal passages, throat and lungs, driving out every vestige of catarrh. "I was cured of chronic catarrh of the nose and throat" writes Ernest M. Williamson of Launceston "after many years of misery by Catarrhozone which was my splendid remedy to free the air passages from mucous. Catarrhozone relieved quickly and my cure has been permanent." Price $1.00 for two months treatment, trial size 25c.

SMASH NEAR TERRA COTTA.

Two Grand Trunk Engines Put Out of Business.—No Lives Lost, and Only a Few People Slightly Injured.

The most serious wreck that has occurred on this section of the Northern division of the G. T. R. for many years, was caused by a pilot of a passenger train striking the tender of a freight engine which was standing on the track at Terra Cotta, on Monday morning. A heavy freight engine, No. 719, and a passenger locomotive were standing at this point and facing each other, the crew of the former having taken water and switched on to the siding to allow the passenger to pass. The latter, which was in charge of Engineer Hall, was coming down the line at a high rate of speed, and when within a few rods of the freight engine, the engineer saw that a collision was inevitable. Some of the train hands claim to have noticed what was to happen, but a second before the crash occurred, all that the engineer and fireman knew anything of what was coming was their life in the cabin, and the engineer had only time to jump through the window, falling into the snow, back by the track.

The two locomotives were pretty badly wrecked, but no cars were damaged. Two residents of the locality who heard the crash, Mr. Robt. Hoare and Mr. Chas. J. Slater, hastened to the scene to render what assistance they could. Enquiry was made as to whether anyone was injured and it was found that the bagge-man suffered from his head being bruised and burned, the stove having fallen upon him. One of the High School girls had a severe cut on her lip and Mrs. B. Parr of Terra Cotta was somewhat injured about the forehead. An aged lady who was suffering from the shock was well taken care of and had quite recovered in a short time except from some small bruises about the chest.

The auxiliaries were sent for and soon arrived from Allandale and Toronto. But it was a next morning before the track was cleared.

It is nearly twenty years since an accident somewhat similar occurred on almost the exact spent. That no lives were lost is a cause for gratitude.

OBITUARY.

MRS. RICHARD GRAHAM.

The community about Norval was greatly shocked by the sudden death of Mrs. Richard Graham of the Station road. She retired at the usual time in excellent health, after spending a very pleasant evening with some friends. The family were awakened about midnight to find Mrs. Graham seriously ill. Medical aid was summoned and about 5 in the morning she passed away. She leaves a husband and family of five children, the eldest 17 years, the youngest 8 months. The burial took place at Norval cemetery, Rev. Canon Bale of Milton conducting the service. Very much sympathy is expressed for the afflicted family. Besides warm expressions of sympathy from this neighborhood, letters of condolence have come from Dr. and Mrs. Buck, and Dr. and Mrs. McCrimmon, Mr. and Mrs. A. Inglehart, Mr. and Mrs. P. J. Inglehart and Rev. Mr. Culp, Paleram; Mr. John McDonald, Oakville; Mr. Harper, and Mr. and Mrs. Knight, Toronto; Mr. and Mrs. Peacock, Merton; Mr. and Mrs. Rayner, Hamilton. Rev. Guy B. Gordon in a sympathetic letter writes: "I always thought of your home as one of the happiest I ever knew and your wife as a thorough Christian woman who was the very soul of kindness and goodness. No doubt her very goodness will make it hard to part with her now, but the example of her quiet faith and religion will help you to bear with patience your sorrow."

ASHGROVE

Mr. James Laidlaw of Mayfield visited friends here last week.

Mr. Harold Lush of Winnipeg was a recent guest at Mr. S. K. Ruddell's.

Captain Morrison visited Oakville friends last week.

Mr. Norman Wrigley spent a few days last week with friends in Mayfield.

The Farmers' and Women's Institute held successful meetings at Hornby on the 9th.

The McMillan farm at Hornby has been purchased by Mr. James McDowell.

Mr. George Wise's little son is mending nicely.

It is reported that Mr. George Currie has purchased from Mr. David Brooks the one hundred acre farm opposite his own on the seventh line.

Mr. James Archdekin has rented the farm owned by Mr. T. McLure on the ninth line. Mr. Chas. Burton will move to the Ross farm which he has rented.

Mr. Bert Underwood leaves this week for the West accompanied by his nephew Mr. Chas. Ashby. These young men who came from England a year ago have made many friends during their stay here. They go west with a view to making their home in that growing country.

Mrs. J. A. Haines and babe returned to Brampton on Saturday, after a visit to her home here.

Mr. Arthur and Miss Flossie Ruddell spent a few days last week with friends in Eramosa.

Mr. John Brownridge has been having a serious time with erysipelas in his head but is now out of danger.

Miss Maggie Coulson very hospitably entertained a number of her young friends on Friday evening.

Mr. Robert Robson of Hornby, who was operated on last week, for appendicitis, is progressing favorably.

On Friday night there passed away, at her home at Hornby, Miss Margaret McMillan in her 85th year. This means particularly sad, as only a few months since death claimed a younger brother from the home. The remains were interred in the Presbyterian church cemetery on Monday.

MR. HENDERSON TALKS.

Member of Halton Reverts to an Old Topic.

In discussing the estimates in the House of Commons on Friday, Mr. Henderson called attention to the statement in the public accounts, under which it appeared that the sum of $[illegible] was retained by the Government of Ontario, out of the [illegible] and was still held by them, [illegible] to be expended in the Province of Ontario.

He understood with the settlement of the county between the Dominion and the Province of Ontario and Quebec. He asked for an explanation by the [illegible].

Mr. Fielding said that the question was a long-standing one, and he did not see any reason for changing the [illegible] which had prevailed during the [illegible] Government of Ontario [illegible]. Mr. Henderson [illegible] to [illegible] upon the [illegible] of the [illegible] between the Dominion and the province. He insisted that the Ontario School Land and other trust funds should be retained in the hands of the Dominion, and not handed over to the Province of Ontario. The land was created more than a century ago, and ought to remain intact. He hoped the Dominion Government would continue to pay 5 per cent. interest upon the sums in its possession rather than to have the fund absolutely destroyed. The money was safer even in the hands of hon. gentlemen opposite (cheers and laughter) than in the hands of the Government of Ontario, who might dispose of it in ways which might not be of advantage to the province.

Mr. Fielding said that the Government wanted to get a fair and proper conclusion of the questions at issue, and must abide by what was equitable and proper.

AROUND THE CHURCHES.

Week-night service is held in St. George's church every Thursday during Lent. The congregations at St. Alban's Mission, Glenwilliams, on Sunday afternoons are showing quite a large average increase.

REV. R. F. CAMERON,
The New Pastor of Georgetown Presbyterian Church.

Rev. R. F. Cameron who is to be inducted at an early date into the pastorate of the Georgetown and Limehouse churches, is a graduate of Knox College. He has for some time been pastor of the church at North Easthope, near Stratford, where his services have been highly successful and much appreciated. He will be welcomed to Georgetown citizenship and to membership in the Georgetown Ministerial Association. And, by the way, what greater earthly privileges could anyone desire?

The Methodist Epworth Leagues and Baptist Young People's Union will hold a union meeting in the Methodist church next Monday evening. An interesting programme has been prepared and a large attendance from each society is hoped for.

Rev. R. J. Drysdale preached a practical sermon, Sunday evening, on "Fraternal Societies." The text was, Gal. 6, 10: "Let us do good unto all men, especially unto them who are of the household of faith." The thought of the text, Mr. Drysdale showed, is the foundation principle of the true fraternal society—doing good. The thought is universal benevolence with a special looking after those of one's own household. Three objections are urged against societies (1) their secrecy (2) their limited benevolence, (3) the sublime ideal set forth by them is seldom realized. But since "by their fruits ye shall know them," these objections are of little import in face of the great good that is accomplished. Societies should co-operate with the church in "doing good to all men," but the society must never be allowed to take the place of the church. The password of the lodge is not the password at the gate of heaven. The password there is the Name that is above every name."

Contracts have been let for the erection of a new Baptist church at Hazelgrove.

Knox church, Guelph sustained, from $5,000 to $10,000 damage from fire. Insurance allowed amounts to about $6500.

LIMEHOUSE.

Mrs. F. Bettis of Georgetown spent Saturday at Mrs. John Nickell's.

Mrs. John Moore visited Brampton friends last week.

Miss Mary Wheeler has gone on a three months trip to visit her sister in Minneapolis.

Master Wesley Lunn spent a few weeks in Caledon.

What is Dyspepsia?

Qualms, nausea, longing for food yet dreading to eat. You may have the real thing, but Ferrozone will cure you like it did S. D. Huntingdon of Hamilton, who says "I frequently was attacked with such acute dyspepsia that I thought it must be heart disease. I used Ferrozone and got relief. I kept on using Ferrozone and was cured. My digestion is in perfect order and I can eat anything today." Nothing is as good as Ferrozone for dyspepsia and those bothered with weak stomachs. Price 50c. at druggists.

MEDICINE FOR MEN.

Something that Will Banish Worries and Brace up the System.

Has it ever occurred to you that you need a medicine AS MUCH—not as old men or young men, but as men? Are you never conscious that the special work and toil of life which men engage in, need repair? Worry wears a man out quicker than work, but worry is not an accident, it is a symptom—a symptom of nervous exhaustion. Other symptoms are nervous headache; morning laziness that makes it difficult to get out of bed; a weak feeling in the back; indigestion; breathlessness after slight exertion; irritable temper—perhaps some nerve pain such as neuralgia, sciatica or incipient paralysis. Dr. Williams' Pink Pills, as a medicine for men, act directly upon the source of discomfort. They restore manly vigor and energy, improve the appetite and tone the nerves and the whole system. Mr. Neil H. McDonald, Exmore, N. B., is one of the many men who has proved the value of Dr. Williams' Pink Pills, all that is claimed for them. I was completely run down; my appetite was poor, and I suffered much from severe headaches. Doctors medicine did not give me the needed relief, so I decided to try Dr. Williams' Pink Pills. I used only a few boxes when my former health returned, and now I feel like a new man."

Weak, nervous, broken down men—and women, too—will find new health and happiness in a fair use of Dr. Williams' Pink Pills. But be sure that you get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" printed on the wrapper around every box. Sold by medicine dealers or sent by mail at 50 cents a box, or six boxes for $2.50, by writing The Dr. Williams' Medicine Co., Brockville, Ont.

NORVAL.

At last spring is in sight; at least the robins are here. Several were both east and heard last week. A flock of wild geese were also noticed on their northward journey.

Mr. and Mrs. R. F. Reid hospitably entertained the Presbyterian choir and Sunday School staff at their home on a recent evening.

Rev. W. McKay returned from Chesley Tuesday, 15th.

The school has been closed on account of the measles.

Miss Rose of Freelton visited Norval friends on the 15th.

Miss Tait spent last week at her home in Waterdale.

Dr. Noble, Toronto; R. Thompson, Guelph; Mrs. Mowell, Milton, and Mrs. MacDonald, Oakville, were here attending the funeral of the late Mrs. Graham.

Mr. Wm. Russell sold a fine team of horses to Mr. J. C. Clark lately for a handsome sum of $560.

HOW IT SPREADS.

The first package of Hon-Ri-Id (the infallible Pile cure) that ever got out into a small town in the State of Nebraska, made the cure of 9 cases Piles that had considered hopeless.

The news spread and although this was only two years ago the demand compelled Dr. J. C. Leonhardt of Lincoln, Neb., the discoverer, to prepare it for general use. Now it is being sent to all parts of the world.

It will cure any case of Piles. There is no doubt's testimonials in each box.

Price $1.00, with absolute guarantee. For sale by all druggists.

Dr. Wood's

Norway Pine Syrup

Cures Coughs, Colds, Bronchitis, Hoarseness, Croup, Asthma, Pain or Tightness in the Chest, Etc.

It stops that tickling in the throat, is pleasant to take and soothing and healing to the lungs. Mr. E. Bishop Broad, the well-known Galt gardener, writes:—I had a very severe attack of sore throat and tightness in the chest. Some times when I wanted to cough and could not I would almost choke to death. My wife got me a bottle of DR. WOOD'S NORWAY PINE SYRUP, and to my surprise I found it very relief. I would not be without it if it COULD BE had for $5, and I can recommend it to everyone troubled with a cough or cold.

HOW IT'S DONE.

It's from the stomach the blood is fed and the nerves controlled.

Undigested food ferments for lack of gastric juice. The fermentation and putrefaction in the stomach and alimentary canal are the main causes of disease.

It upsets the nerves.

It poisons the system.

Dr. Leonhardt's Anti-Pill increases the necessary supply of gastric juice in quantity and quality to insure perfect stomach action. It has similar action on bile formation. Anyone can prove this for himself by addressing WILSON-FYLE Co., Niagara Falls, Ont., for free sample.
