A WARNING NOTE
FROM THE BACK.

People often say, "How are we
to know when the kidneys are out
of order?" The location of the
kidneys, close to the spine, makes
it difficult to detect any signs of
kidney trouble, a simple matter.
The note of warning comes from
the back, in the shape of aache.
Don't neglect aches in the back,
especially if they trouble you
when you sit down. If you do,
you will be sorry when you
get up.

DOAN'S KIDNEY PILLS,
taken in time, often save years of
suffering. Mr. H. C. Doan, General
Manager, "Doan's Kidney Pills,"
for two years with kidney disease.
Kidney trouble is my back, hip
and legs; I could not sleep well,
and legs; no appetite; took one
pill Doan's Kidney Pill, and
they cured me. The pills have all
left, and I now sleep well.

Pills 50 cents per box, or \$5 for
\$1.25. All dealers, or

KEEP SWELL AND STAY MOVIN'
Mother's Little Helper

Horribly plagued of our neighborhood bright
Keep steady here to the best of the green
Touch to the left eyes to the right
Sign with the sign of the lips to the chin
Used to be good help to the body

Now, I'm not so good help to the body

Hard to be gay when the heart is down
When "why, that trouble you and I
I'm increased, helped a dark from the
What you look for a smile and see
From?"

"But,
Keep sweet and keep movin'"

Hard to be gay when the heart is down
