W. H. WILLSON
LEADING FUNERAL DIRECTOR AND EMBALMER
Residence & Office upp. Merchants Bank
Open Day and Night
GEORGETOWN, ONT. PHONE 54

BORN

Martin—In Georgetown, on Sat. Jan. 8th, 1916, to Mr. and Mrs. George Martin, a daughter. (Gladys Mary Cavell).

MARRIED

McIlwain—Sams—At St. George's Church on Jan. 19th, by Rev. A. H. Higginson, Belle Selah of Georgetown, to Proctor McIlwain of Toronto.

DIED

Somerville—At Algoma, Georgia, Cavanagh Nixon Somerville, of the Royal Aviation Corps, son of Mr. and Mrs. D. L. Somerville, Georgetown, Ont., and late member of the Dominion Bank staff, Queen and Dundas streets, Toronto. Funeral on Saturday afternoon, Jan. 22nd, at 3 o'clock, from his father's residence. Interment in Greenwood Cemetery, Georgetown.

Cameron—At Crashbrook on Monday, Jan. 17th, Mrs. John Cameron, mother of Rev. R. W. Cameron, Georgetown, aged 85 years.

Schooley—In Brampton, on Friday, January 7, 1916, Henry Schooley, aged 76 years and 4 months.

THE GEORGETOWN HERALD

WEDNESDAY EVE'G, JAN. 19th 1916

THE COUNTY COUNCIL will meet on Tuesday next and the Warden of 1916 will be elected. Reeve Flack of Georgetown is a man well qualified for the position and no doubt will receive the honor which is due him. Charles Readhead, the popular Reeve of Nelson, is also spoken of. "Charlie" is a good man and will yet be Warden of the County, but we feel certain that as Georgetown has a prior claim to that of Nelson he will not press the matter this year.

From the Boys at the Front

Sgt. S. B. ...lan Div. ...me 8 ...p by the ...n Batt. On ...mbossed crest ...anist of the enga... ...he men have taken ...t, St. Julien, Ypor Canal, ...8 Redout, Boxhill, Given... ...t also contains best wishes for a ...erry Xmas and a Happy and Prosperous New Year," and the following verse:

No land I hum'd by yonder sun,
Can more inspiring be than one
Where my far vision roams
O'er prairie wide, through forests grand,
My love is thine, thou lavish land,
Dear Canada, my home.

When writing Sgt. Groat said they were having very wet weather and lots of mud. He also wished to be remembered to all old friends.

Sgt. Groat is a son of our esteemed townsman Mr. Robert Groat, at whose home his wife and little daughter are staying while "Daddy" is doing his bit for the Empire.

The following has been received by the HERALD from Stretcher Bearer Thos E. Roberts, formerly of Glenwilliams, and is dated from "Somewhere in Belgium":

Dear Mr. Moore—I take this opportunity of writing you and hope this finds you in the best of health as it leaves me here at present. We have had an awful lot of rain and the mud is horrible but we can stand it as well as the Germans, if not better. They are getting their share alright. We are only from 25 yards to 125 or 150 yards from them but they are hard to find as they know enough to keep their heads down as well as us. Things don't go their way now as they used to. We are more than a match for them at anything they like to try, gas, bombs and sniping, and they get more "medicine" than we do. Our artillery can give them 10 shells to their one now and does splendid work. I have seen the German dug-out's flying in the air, also their sandbags. The German shells mostly land in the field doing no damage at all. With two others and myself took a walk to see the village yesterday. There is hardly a house left standing and a splendid R.C. church was blown to pieces: it's an awful sight to see. (You ought to hear our guns going now, they interrupt me writing.) I have seen a number of towns and villages in the same condition; its devastation all right. On our way back a shell dropped not more than 20 yards from us just over a hedge. I can't tell you what we felt like, but we looked at each other change colours and 'beat it.' It was a close call. Our aeroplanes are superior to those of the enemy and I notice they turn and go back at sight of ours. I have seen two German aeroplanes come down, the British gunner brought one down and the other came down behind our lines at dusk—lost—but its occupants soon found out where they were. Wish we had our Canadian winter here instead of the rain and mud. We expect another furlough soon and I shall be glad of a rest. Pte R. J. Hynds is quite well and looks good as ever. We all have moustaches now and sometimes whiskers too. All the boys from Glenwilliams and around Georgetown are quite well. We have had casualties, but none from around Georgetown that I know of in the 2nd Contingent. When we go back for a rest we always have a bath and change of underclothes, socks, etc. We also have band practice as well. I could tell you a lot more but you know we are not allowed to write all we know. Kindly remember me to Bandmaster Cantell and the rest of the boys. Wishing the Herald and all its readers "A Bright and Prosperous New Year," (if not too late),

Yours sincerely,
Thos. E. Roberts, Stretcher bearer.

Somewhere in Flanders,
Dec. 20th, 1915

To Georgetown Women's Patriotic Society.

Dear Ladies—Just a few lines to let you know I received your parcel of comforts and appreciate your thoughtful kindness for which I return many thanks. Wishing you all a Happy New Year, I remain yours truly,

Thomas J. Fincher, 4th Batt.
No. 11047.

Somewhere in Flanders,
Dec. 27th, 1915.

To Georgetown Ladies' Patriotic Society.

Dear Ladies— I received your very welcome parcel last evening. Thank you very much. The parcel was delivered in good shape and the muffler is a great comfort as it gets very cold here during the night. It is very different to the cold in Canada, the dampness seems to make one feel it more. We were in the trenches over Xmas but will likely be out for New Years. Thanking you again for the Xmas box, I am

sincerely yours,
Pte. J. Fosss.

Recruiting for 164th Batt.

Splendid Addresses Sunday Evening by Rev. Dr. Cline and Capt Gordon Brown. Music by 20th Regt. Band.

There was a large attendance at the recruiting meeting held in the town hall on Sunday evening at the close of the church services.

The 20th Regt. Band opened the proceedings and rendered several selections during the evening.

Capt. (Rev.) A. H. Higginson was the chairman of the evening and after the gathering had sung "Onward Christian Soldiers," made a few timely and appropriate remarks regarding recruiting. He said Halton had already sent 900 men to the front, nine 200 of whom were residents of the county. Recruiting has commenced for the 164th Halton-Dufferin Batt. and stations have been opened at Oakville, Burlington, Milton, Acton and Georgetown. 180 men are wanted here, and Lieut. Donnelville, the Commanding Officer, has requested that every citizen assist the officers in their work. Meetings will be held every Sunday evening and if we don't get the men at these meetings we get, parents, friends and sweethearts who are keeping the boys back. When they are shown the great necessity for men and realize the righteous cause for which the Empire fights, they will not stand in the way. The farmers sons are not recruiting because they have not been informed sufficiently to realize the seriousness of the war. When they do realize it they will readily answer the call.

Rev. Dr. Cline was the next speaker. He said, in part: "By nature and profession I am a peace man, but we are all influenced by circumstances and there are times when persuasive measures or measures of another character must be used. I am not going to say to any young man 'you should be at the front.' Every man knows his duty in this great conflict and as Christians are called upon to over-awe the spirit of personal control. The kaiser is as bad as he can be when he will fraternize with the dirty sultan of turkey. He cherishes the idea he is to be lord of Europe. To contend with that selfish spirit and exaggerated ambition Great Britain went to war and for that reason her young men are called. Bismark said Germany must prosper by blood and iron, not by rule of the people, and to-day the kaiser is working on the same principle of might is right. We war against war and fight that we may not have to fight again. We stand for the rights of the weak against the strong but Germany has no respect for the weaker when her interests are to be served. Britain has gone to war to keep her treaties with the weaker nations. What would it mean to us if Germany were to win? It is a war of defence against a nation of hate. We appeal to young men on these grounds to rally to the colors and help British independence and liberty against a nation of hate."

Capt. Gordon Brown of Norval, one of our returned wounded heroes, now attached to the 164th Batt., followed. He stated that the previous speakers had stolen considerable of his "thunder" but he would endeavor to tell the audience something they had not heard before. He said, in part:

"I was a member of the 1st Canadian contingent, 4th Batt. and before going further I will tell you of a few of the atrocities I saw with my own eyes, and if the Germans were to win this war the same thing would probably happen in Canada. One home German officers had raided, thrown the old couple out of bed and almost killed them and then shot their cows. I saw a little girl whose both ears had been cut off, and a young lad with his right hand amputated. All this the work of drunken German officers. Could we expect any better if Germany were to win? In the trenches the boys need your help. They are not downhearted but they often wonder what a lot of the boys at home are doing. The war was at first considered by many to be a side issue but it has really become a very serious matter. We must not look to Russia for too much, they have done wonderful. In England most of the young men, regardless of class, are wearing Khaki—and the balance are going to. When I arrived home in Canada you would hardly know the Empire was at war; few men were in khaki and numerous signs were displayed which read "business as usual." That business 'as usual' idea must be got away from and the young men of our country brought face to face with their duty. I can't see how any young man can look a child in the face and know that child's father is fighting for him. Young man think it over; think of your mothers, sisters, home and Empire and get on the khaki and help protect them. The reason a great many boys are not enlisting is because their parents, sisters or sweet hearts object, but I believe when they fully realize the seriousness of this great conflict they will say to the boys, go. No young man should be able to say his parents wouldn't let him go. Young men join the 164th and come with us. We have a splendid lot of home Officers and they will use you right."

Lieut. Day, Lieut. E. T. Leslie and Lieut. H. M. Kennedy also spoke and a reading was given by Miss Alison Barr. Miss Kathleen Barber presided at the piano.

Boys, You're Wanted Now

200 young men from Georgetown, Acton and Esquesing to complete the local company of the 164th Batt. Are you going to do your share young man? Get into khaki and be up-to-date. Don't wait for the recruiting officers to go for you. Enlist now. A few of the advantages to be gained by joining the 164th Batt:—

1. You will be in town all winter and you may board at home if you wish.
2. You will be with your chums right through.
3. Local officers who will use you white.
4. The Batt will have a number of officers of the famous old 4th Batt.
5. The 164th is going to be a genuine County Batt.

The following are the officers of the Georgetown Company:—Capt. G. O. Brown, Norval; Lieuts. G. E. Day, Norval, F. F. Leslie, J. O. Matthihan, H. M. Kennedy, G. H. Arnold, Georgetown; and Sergt. Hainsworth, Hamilton.

Are you with us or against us? Join to day and help a chum along. Recruiting office in the bowling alley.

God Save the King

—Regular meeting of the Halton Farmers and Women's Institutes will be held at Brookville on Jan 24, and Esquesing on Jan 28, afternoon and evening sessions. Everybody come. All welcome. Good musical programme at evening sessions.—61.

Died in Georgia

Cavanagh Nixon Somerville Has Answered the Call.

The sad news of the death of Cavanagh Nixon Somerville, youngest son of Mr. and Mrs. D. L. Somerville, who received it down on Monday morning, and was not only a shock to the parents and family but to the entire community.

Last fall deceased resigned his position as accountant in the Quen & Dundas branch of the Dominion Bank at Toronto to join the Royal Naval Aviation Corps. After spending a short holiday at his home here he left early in December last to take a course in Wright Aviation School, Dayton, Ohio, to go later on Active service with the Royal Naval Aviation Corps. The school was moved to Augusta for the winter when the weather in Dayton became too cold.

He had just completed his course and was to have returned home this week, where he intended to spend a few weeks before leaving for England, when he was stricken with bowel trouble. He was operated upon on Sunday morning but passed away in the evening.

"Paddy" Somerville, as he was more familiarly known to us all, was one of our most honorable and popular young men and a friend to everyone who knew him. His cheery smile and happy manner were often the means of making bright spots in life that would otherwise have been clouded. Although absent from town for some years past, he never forgot his old friends when visiting his home here, and his sad death has caused many an eye to moisten. Yes, "Paddy" Somerville will be missed, but we rejoice in the fact that he died in the service of his King and Country, while preparing to do his "bit" to uphold the Old Flag that stands for all that is good and just.

The sympathy of the community is extended to Mr. and Mrs. Somerville and family in their extremely sad bereavement.

The remains will arrive in Georgetown on Friday and the funeral, which will be military, will take place on Saturday afternoon at 3 o'clock from his parents' residence to Greenwood Cemetery.

Norval

If the weather kills your crop;
Keep a goin'
When you've trouble from the top,
Keep a goin'.
S'pose you're out of every dime,
Gettin' broke ain't any crime,
Tell the world you're feelin' prime,
Keep a goin'.

The skating so far has been splendid and the coasting on the hills which surround the village has delighted both old and young.

Victor Knighthas taken the position in the Bank of Nova Scotia of Mr. Day who has been transferred to another branch.

The Methodist Sunday School entertainment held on Friday evening last was an enjoyable affair. The first part of the proceedings was a delightful tea served in the basement, after which an excellent programme was given by scholars and grown ups. Prizes were distributed to the children.

The Norval Ladies' Patriotic League have forwarded to the Red Cross University Hospital at Saloniki a bale containing 40 shirts, 40 pairs of socks, 2 pair wristlets, 62 hand towels and 2 feather pillows.

Anniversary services were held in the Presbyterian Church on Sunday, the preacher being Rev. W. D. Turner, B.A., of Ill; the a former pastor, who delivered two powerful sermons. The choir under the leadership of Mr Carl Adams, sang excellently and altogether the services were much enjoyed despite the storm, which raged all day.

Capt Brown and Lieut. Day are busy trying to secure recruits for the 164th Batt.

Monday last was very cold here. If we only had enough snow for sleighing it would make trade more brisk.

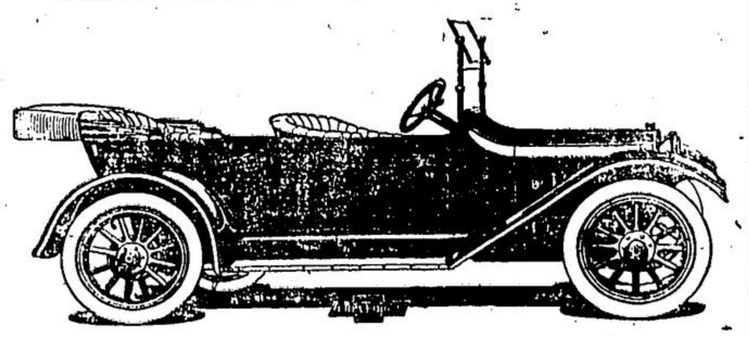
HERE AT LAST "CHEVROLET" (FOUR NINETY)

The Product of Experience — Most Talked of Car of Age

Powerful and Quiet Running — Valve in Head Motor

PRICE COMPLETE $675.00, F.O.B. OSHAWA



One look at the car—one ride in it—and your convinced that nothing can compare with the Chevrolet.

Now note what the Chevrolet offers. These features would not be so remarkable in a several thousand dollar car—but this car sells for but $675, which makes these specifications not merely interesting—they're amazing.

Let's start with the engine—the heart of the car—and, in the case of the Chevrolet, a "heart" with a dependable action. Quiet and smooth running to a last degree, its valve in-head motor drives with a steady stream of power. Up the steep hills the Chevrolet climbs with ease. Already they're calling it

"The Wizard of the Hills"

It has been found that the lever remains in high gear 95 per cent. of the time.

The feeling of ease and security you have in a Chevrolet comes from its low centre of gravity. It "clings to the road" although it has especially high road clearance; so that, on any kind of roads, you have good control of your car, and an upset is not to be feared.

You won't tire in a Chevrolet, whether in the front seat driving or in the back seat reclining. First, because it roomy, seats five people comfortably. Second, because it has Cantilever springs on rear, and double-acting patented front springs—no shock absorbers necessary. Third, because it's comfortably upholstered in Fabrikoid.
