Our Jubilee

With this issue we celebrate our Gold-
en Jubilee. We and our predecessors
have been trying to collect the news of
this district and hand it to you weekly
for over half a century. We believe
you have appreciated our efforts.

Now while so many have paid
their subscription in advance, there are
many who have overlooked or neglected
for some reason or other to renew, and
have fallen behind. To celebrate our
Jubilee we are going to ask those
to renew to kindly remit us one or two
and send us additional expenses of postage
as an account already overdrawn. The
label on your paper will tell who you are
paid up to.

In order to start the beginning of the
last half of our century with a clean sheet,
we have decided that all back subscriptions
must be paid by that time July 30.
Any not paid by that time will be put in
for cancellation half price. We believe
subscriptions of all back issues
(paid during the month of July
(while the list is in our hands) to the
local Cross Fund.
