Sermon to Orangemen

Over forty Orangemen attended public worship in the Baptist church last Sunday evening. Rev. Gordon M. Holmes, D.D., of the University of Toronto, preached the sermon. The text was Psalm 133: "Behold how good and how pleasant it is for brethren to dwell together in unity." The sermon was a most timely and inspiring one. It dealt with the importance of unity and brotherly love among the people of God. The speaker urged the congregation to strive for harmony and peace in their homes and in their communities. He also emphasized the need for each individual to do his or her part for the good of the whole. The sermon was well received and the church was filled with a spirit of devotion and prayer.

Terra Cotta

We congratulate the Herald on its 50th Anniversary. It is a welcome weekly visitor in our homes. A number of our citizens attended the Orange Demonstration at Hampton on Monday and report a good time. It is with sincere regret we this week chronicle the sudden death of Mrs. Wm. Hunter of the 4th line, who passed peacefully away to her long home on Saturday morning, July 12th. Deceased was in her 84th year and had been suffering for some time from illness. She was a devoted wife and mother and was loved by all who came in contact with her. Her death is a great loss to her family and to the community. The funeral was held on Monday, July 13th, at 10 o'clock in the morning. The services were conducted by Rev. J. C. Hunter, pastor of the Baptist church. The burial took place in the cemetery at 11 o'clock. The sympathy of many friends is extended to the family in their sad bereavement.
